## Development of our Learning Pods

We would like to thank Karen, a parent in year 4 and her friend Pat for their hard work in helping to brighten up our new learning pods. When complete the children will find the area irresistible but for now they are enjoying watching the painting develop. They have started on the Year 1 learning pod by painting story book characters on the wall. We will keep you posted on the progress they make.

Here are a selection of pictures showing how it is already taking shape:-

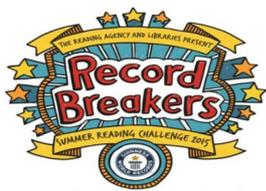

We would also like to extend our thanks to Joyce Smout who has made curtains and cushions for the pods. The children in Key Stage one have already enjoyed reading books snuggled up in the new area.

Our local library staff have been telling the children how to take part in Record Breakers, this year's **Summer Reading Challenge**.

The children will tell you all about it! All they have to do is read **SIX** library books and visit the library regularly over the summer, collecting rewards and stickers along the way.

**It's FUN! It's FREE! It's LOCAL!**

Please encourage your children to visit the library and sign up and see the difference the **Summer Reading Challenge** makes to their reading.

We will be celebrating and rewarding all children who took part at the beginning of the new school year.

### Summer Reading Challenge

We would love all the children to get involved with the summer reading challenge. All you need to do is get your children to sign up at your local library and get them to read 6 books over the summer holidays. When they've done it they will get a certificate and a prize. It's a great way to keep them motivated and their reading skills sharp over the holiday. Further details are attached with the newsletter.
