A reminder that the Rota Kids are running an appeal for Vision Aid Overseas. Founded in 1985, Vision Aid Overseas has been helping some of the poorest people in the world to see properly for over 30 years. Whether you are a teacher in Ghana, a seamstress in Zambia, or a school pupil in Ethiopia, poor eye sight can have a devastating impact on your life and livelihood.

If you have any old glasses that are no longer used please drop them into school where we will collect them and take them to a local opticians. The glasses are not reused but money made from the materials of the glasses are used for eye care like sight tests etc. which means that we can help give the opportunity to people overseas to access learning and new skills.
