- Navy blue V-neck jumper or navy blue cardigan embroidered with the school logo
- Long or short sleeve white shirt buttoned at the neck
- School tie

- Black shoes (not trainers or boots)

As part of our whole school topic on Japan, on Tuesday the pupils in key stage 2 visited the Botanical Gardens in Birmingham. The focus of the visit was Japanese gardens and Bonsai. The children took part in a practical quiz around the Japanese Gardens and then looked at Japanese words including making some out of paper. They spent time looking at the national bonsai collection which involved a lot of discussion with children asking some really thoughtful questions. During the afternoon the children had free time to enjoy the other gardens and look at the animals that also reside there. The children had a wonderful experience which really enhanced their knowledge on this area of our Japanese topic.

The children had a brilliant time with the Animal lady on Monday. They saw and got to touch different animals including a snake, blue-tongue lizard, chinchilla and a kingfisher. This visit really helped the children with the work they have done about animal groups, and they were able to wow the animal lady with their knowledge!

Well done to Class Reception & Class 3, the best readers this week!

Please read a least 3 times with your child each week. It will make a difference!!

We were very lucky this week to have Mrs Barbara Maskell, a special visitor in school to talk to us and share all her wonderful artefacts she has collected from Japan. For two days we put on an exhibition for the children in the conference room showing them many aspects of Japanese life. Mrs Maskell then went to visit every class including Nursery and answered questions put to her by the children. The children were really polite and asked well thought out and considered questions. Mrs Maskell heard about our topic through the local WI and volunteered to become involved. We really welcome the valuable enrichment members of the community can add to our curriculum.

It is a great honour for the school that Mrs James has been selected to take part in a Primary Heads Study Tour of Japan during half term. The tour is funded by the Japanese society of London whose aims are to initiate cultural exchange. Mrs James will be visiting Japanese schools and watching the children in lessons, at play and eating lunch. She will be meeting Japanese school leaders and discussing the merits of the two different systems. She is delighted to be an ambassador for our school and excited to share her journey with children and parents. Everyday Mrs James will be posting a blog and photos on the school website which she encourages you all to take a look and find out what she's learnt each day. It will be located on the homepage where you will need to scroll down and click on the Japan button.

We are raising funds to buy whole class sets of iPads.

We are hoping to raise enough money at each of the events taking place here at Chaddesley Corbett to be able to buy at least one iPad each time. Our next event is the Moirai Concert and Barn Dance on Saturday 5th November 2016.

As we raise funds, we will change the graphic to show how many have been funded.

Please spread the word about our events to friends and family. The more money we raise the more iPads we can purchase.

Thanks for your on-going support.
