British Science Week

Last week we all had a fantastic time taking part in the British Science Week. This has become an annual tradition and is looked forward to greatly by the children.

This year our theme was 'change' and the children and parents were able to take part in a variety of fun experiments including learning about acid and alkali, making cornflour monsters, kitchen science and colour change linked to camouflage.

We were also lucky to have some parents come in and talk about how their job involves Science. Reception loved learning about the role of a vet and a geologist, and Year 5 and 6 were fascinated to learn about the role of a food scientist when Mr Elliot came in to talk to them.

Along side all these fun experiments the children also enjoyed watching our Living Eggs hatch and grow into chicks.

The week ended with a Science fair where the children were able to show their parents and other classes what they did during the week.

Our thanks goes to all the parents who supported their children during science week, your support is very much appreciated and in the words of one child, 'I love science, it's the best week of the year.'

Reading Record

Pupils who have read 3
times or more this week:-

Rec: 93%

Yr 1: 82%

Yr 2: 50%

Yr 3: 97%

Yr 4: 83%

Yr 5: 69%

Yr 6: 91%

**Well done to the pupils in
Year 3, the best readers
this week!**

**Numbers are dropping in
some classes. Keep
reading at least 3 times a
week with your child, it
does make all the
difference!!**

On Tuesday, Class Reception walked to Chaddesley Corbett Village to visit St Cassian's Church. During their visit they enjoyed a story, and a talk about Mothering Sunday. They looked at the stained glass windows and were lucky enough to be able to watch one being replaced. The children also completed some "service in the community" by having a great time dusting the church. They had a wonderful visit and learned some great values about being part of the community.

On Wednesday, Year Six visited Worcester Cathedral as part of their RE studies. They were commended repeatedly by various adults at the Cathedral for their behaviour and attentiveness. They enjoyed a tour, a stained glass window workshop and singing in the Choir. They were a credit to the school!

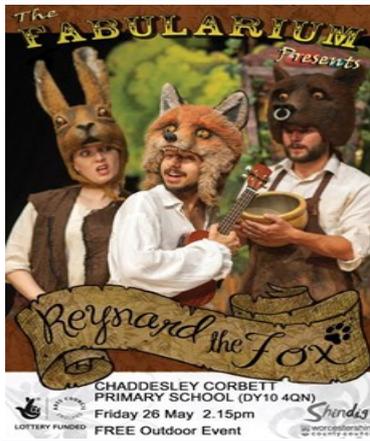

We would also like to take the opportunity to thank Mrs Roberts for helping us out on the day.

Year 2 Violin and Dance Performance

Year 2 Parents/Carers are invited to join us on Thursday 30th March at 2.45pm to watch the Year 2 children perform on their violins so that they can demonstrate the progress they have made so far. This will be followed by a performance of their dance 'Once upon a time...' that they'll have performed at the dance festival the previous week.

On Friday 26th May The Fabularium, in conjunction with Shindig, will be coming in to school to present "Reynard the Fox".

It will be a whole school event, and Parents and Carers are invited to join us for the performance at 2.15pm.

Weather permitting, it will be an outdoor event which will take place in our amphitheatre.

Further information to be provided nearer the time.

Nursery hours for September 2017

If any of our current Nursery parents would like to increase and/or change their hours for their child from September 2017, you will need to call in at the school office to fill out a "change form"

before 4th April 2017.

On Friday 7th April at 9.00am we will be having our KS2 Easter Service at St Cassian's Church in Chaddesley village. KS2 children will need to be dropped off at the church for 8.45am on that morning. **Children will also need to be dropped off at the church on Thursday 6th April at the same time for the rehearsal. On both days children will walk back to school from the church with staff. Please ensure your child has suitable footwear and a coat.**

All parents of pupils in KS2 are invited to join us on Friday 7th April, and are welcome to stay for tea/coffee and biscuits!

Congratulations to Isobel Vaux-Harvey (Yr 4) and Livia Dyer (Yr 3) who have

both passed their Copper Music Medal in Keyboard. This is a fantastic achievement and we are extremely proud of them both.
