Yr 6: 92%

**Well done to the pupils in
Class Reception, Year 5 &
Year 6, the best readers
this week!**

**Reading at least 3 times
a week with your child
will make all
the difference!!**

WYRE FOREST YOUNG CITIZEN CHALLENGE

Year six participated in the Wyre Forest Citizen Challenge last Friday. They were superbly behaved and listened really well scoring on average 56 out of 60 over the six different challenges. Fantastic safety work - well done!

Last Friday, pupils in Year 5 took part in a Dodgeball Festival. They all played really well and showed some great sportsmanship winning some of their games. It was very fast paced but they all had lots of fun. They supported each other well and organised themselves within the teams, even discussing strategies. Well done to all those who took part!

We would like to thank Charlie Loveridge and her Aunty Claire for their informative talk on training Guide Dogs. It was very kind of Aunty Claire to bring in her dog, Gus, for us to see and Charlie did an amazing presentation.

Year 5 attended a STEM morning at King Charles 1 High School on Wednesday. They took part in a variety of activities related to science, technology, engineering and maths and really enjoyed themselves as they earned points for their team.

Health and Wellbeing

We do a lot of work in our curriculum to promote good health for the children. We talk to them about the importance of exercise and how to maintain a healthy diet and lifestyle. Our daily mile is going very well and the children are a mine of information about healthy eating. Recently however we have noticed that some of the snacks brought into school by KS2 for break time are not particularly healthy. We provide fruit for KS1 children and would like to see that snacks brought from home are nutritious. Please **DO** send: fruit, breadsticks, cheese, chopped vegetables, cooked meats. We **DO NOT** want to see: chocolate, crisps, cereal bars or cakes. Children seen with these will be asked to put them in their lunchboxes. Thank you so much for your support.

Ambition Assembly

Miss Campbell, our Year 2 teacher, is appealing for some kind volunteers who would be happy to talk, for no more than 5 minutes at an assembly she is arranging based upon one of our school core values - Ambition.

If anyone is willing to discuss their endeavour to achieve certain ambitions of theirs, it would be really inspiring for the children to hear about them. An ambition could be related to academic achievements, artistic or sporting.

The assembly will be on Tuesday 27th June at 1.00pm. If you can help please speak to Miss Campbell or contact the school office.

Appeal for spare clothes

Nursery are appealing for any second hand aged 5 - 6 trousers and pants that are no longer needed.

Any donations would be gratefully received.

Please drop off any items to Rose George in the Nursery.

Thank you

A couple of weeks ago we told you about one of our ex pupils, Neil Seymour raising funds for Alzheimer's Research. We're so proud of him! As you can see from the pictures, not only has he done the skydive but he has smashed his target of £750. To date he has raised £883 and is now hoping to make that £1,000. If you still wanted to donate please click on the link below:-

The Early Years Leader is a Specialist Leader in Education. EYFS Ofsted: Good

To book your free session please contact the school office on 01562 777312 or email office@chaddesleycorbett.worcs.sch.uk

Year six had a great time at Boing Zone on Tuesday! Lots of bouncing was had by all, even the teachers!

Boing!
Year Six

Parking at School

We are one of the fortunate schools in Worcestershire County Council that is able to provide parents/carers with good parking facilities within school.

Please could we ask that whenever parking at school you use the lower playground, staff car park or the bays in the drop off zone (afternoon only).

Even if you arrive late to school please use the parking areas provided and **do not** park on the drive way leading up to the main entrance. This area needs to remain clear for the morning and afternoon mini bus transport and throughout the day for delivery vehicles and waste disposal vehicles.

We need to ensure the safety of Nursery and Reception children by not having additional vehicles in this area.

Thanks for your support with this.

Dates for your Diary
