## Reading at Home

A big thank you to all parents who read with and listen to their children reading at least 3 times a week. Due to the high priority of this every week we will be publishing the percentage of each class who have read 3 times or more at home. It is really very important to your child's progress that you support us in this and we do hope that next week we will see a marked improvement. You don't need to write a comment in the reading record every time just initial if you are in a hurry. Well done to year 1 for the highest percentage this week.
