Congratulations to  
Year 2 for the best  
attendance this week!

To support the science curriculum, Year 3 and Year 5 had a visit from the Black Hole mobile planetarium on Thursday. Year 3 were shown a presentation on "Light & shadows" and year 5 were shown a presentation on "Earth & Space".

This is year 3 sitting outside the dome and here are some quotes from the children: "The star constellations were fantastic and I was amazed at how many stars and galaxies there were", "It was really good

when we saw how the Ancient Greeks named the star constellations and we saw what shapes they made" and "How much do these planetariums cost? I want one for Christmas." As you can tell the children had a wonderful time as well as learning such a lot inside the dome.

Reminder: Yr 4 will be doing a forest schools morning on Tuesday 9th December so please ensure they are warmly dressed in home clothes and don't let them forget

their wellies and a change of footwear.

On Thursday the children in Yr 4 met their new teacher, Miss Bassett, and had fun! This was a benefit to both Miss Bassett and the children helping them to get to know each other before she starts in January.

Take a look at what Yr 3 have been doing. Using their computers and paper they have created some beautiful Roman mosaics. How fantastic!!
