## national science week 2015

Thank you to all of the parents who were able to join us and get involved with the science activities this week. The children have really enjoyed learning about lots of different aspects of science and we hope you have enjoyed working along side the children. Here is an example of some the science activities:-

Yrs 4, 5 & 6 tested the strength of materials and shapes by making spaghetti towers strong enough to hold chocolate eggs. They enjoyed lots of healthy competition and learned a lot about the science of engineering too!

Pupils investigated how to make the best bubbles, which, for year 6 meant the bubbles lasted the longest. They even played 'keeps-uppies' on their knees with the bubbles.

KS1 & Early Years investigated all aspects of colour.

## Reading Record

Pupils who have read 3 times or more this week:-

Rec: 70%

Yr 1: 88%

Yr 2: 52%

Yr 3: 92%

Yr 4: 86%

Yr 5: 62%

Yr 6: 86%

Congratulations to **Yr 3** the best readers this week!

**Please continue to encourage your child to read. Lets see if we can get 100% in all year groups.**

Reception parents - please don't forget our Maths Inspire workshop on Thursday 26th March. Come along at 1.30pm to work alongside your child and gain an insight into your child's school day.

Next term: English Inspire workshops for each class - dates published soon!!!

On Monday the children enjoyed an assembly given by the vicar of St Cassian's Church, Reverend Hugh Burton. The theme for the assembly was "God's love for us all being shown by Jesus' death."

After Easter, as part of the curriculum, Year 2 will be having swimming lessons. These will run from Tuesday 21st April to Tuesday 19th May. The children will be taken by coach to

the pool located on the old school site. Please could parents of children in year 2 support us with the cost towards the transport. Payment required as soon as possible. For health and safety reasons children will need to wear a swimming hat.

Reminder that we'll be holding our rags2riches event on Thurs 23rd April. It's not too soon to start collecting items-eg second hand

clothing, soft good quality toys, bedding, towels and accessories. Items will be collected from school and we'll get paid 65p per kilo or £650 per tonne which will help us to raise much needed funds towards the ICT project. Bags and further information will be sent home next week.
