Year six had a fantastic two and a half days at Blackwell Adventures, challenging themselves

and doing some great activities. Many children found the activities scary at first sight, but all gave everything a go, many surprising themselves with what they could do. Have a look at what they got up to on the year six page of the website (more photos to be added!) and check out the video on our Facebook page! Even Mrs Try had a go, though she screamed the loudest, especially on the fan descender and 3G swing!

On Wednesday we had our first Maths Inspire Workshop for this year and would like to thank all of the Year 1 parents who attended.

Feedback from some of the parents include: "It is going to be great to be able to build on this learning at home.", "It was lovely to work with my child and see them in the school environment.", "It was wonderful watching the children interact with each other."

**If you would like to purchase the box of Numicon shapes as demonstrated in the workshop they are available from the school office at £5.00 each.**

Our next Inspire Maths Workshop will be on Wednesday 4th November for the Reception Class and all Reception Class parents are invited to attend. Tea/coffee and biscuits will be served in our meeting room from 8.45am prior to the workshop starting just after 9.00am.

**Please note that the Year 3 Maths Inspire will now take place on Wednesday 25th November instead of the 11th November. Apologies for any inconvenience.**

### Reading Record

Pupils who have read 3 times or more this week:-

Rec: 62%

Yr 1: 79%

Yr 2: 82%

Yr 3: 81%

Yr 4: 70%

Yr 5: 68%

Yr 6: 75%

Well done **Yr 2**, the best readers this week!

**Reading at least 3 times a week for just 15 minutes a day really does make a difference.**

30 year 5 and 6 children went to the Stourport Netball Dome on Wednesday to compete in the Wyre Forest Indoor Athletics Tournament.

They took part in a variety of track and field events and throughout the whole morning they displayed a high level of enthusiasm and a real sense of team spirit. Although they didn't win the overall tournament there were many individual successes and they represented the school brilliantly.

### SAFEGUARDING

YouTube is incredibly popular with children of all ages.

YouTube SafetyMode enables you to choose whether to limit content on YouTube that might be unsuitable for your children, even though it's not against YouTube community Guidelines.

When you opt in to YouTube SafetyMode, videos with mature content or that have been age restricted will not show up in video search, related videos, playlists, shows and movies. It is extremely simple to set up.

Reminder that our School Nurse Drop-In is on Wednesday 21st October from 2pm - 3pm. There will be a workshop on dental health plus an opportunity to speak privately with the school nurse with any concerns.

Refreshments will be available and everyone is welcome.

### Letters and payments for the School Office

As we strive to encourage the children to be more independent we ask that all letters and payments that are normally handed in at the school office are given to the children to be handed in to their class teacher instead. These will be collected up each day and sent to the school office on your behalf.
