Last Friday the School Council held a cake sale. We would like to thank all the pupils/parents that made cakes for the sale; as you can see there were lots of lovely cakes to choose from. We raised a fantastic £86.00 from the sale. This will be added to the money raised from the Rags2Riches event and used to purchase a "Buddy bench" for the playground. Thanks again for your continued support.

We would like to extend our congratulations to Rav Hothi, who has been appointed as a Parent Governor, and Joanna Attwood who has been appointed by the Chaddesley Corbett Educational Foundation as a Foundation Governor. We welcome them both to the Governing Body and wish them all the very best in their new roles.

Thank you to all of the parents that joined us on Wednesday for the Year 3 and Year 4 Maths Inspire Workshop. Parents found the session extremely useful and would highly recommend other parents to attend if they can. Feedback following the sessions include "Lovely challenges to extend learning", "Lovely to see the children so engaged. Informative workshop. Great use of Numicon", "Great to see the children working together and enjoying the lesson"

Our next Maths Inspire Workshop, for Class 2, is on Wednesday 2nd December.

All parents of pupils in class 2 are welcome to join us.

Tea/coffee will be served in the meeting room from 8.45am just before the session starts at 9.10am.

If you would like to purchase the box of Numicon shapes as demonstrated in the workshop they are available from the school office at £5.00 per box.

The school nurses visited Year 2 this week to discuss hand washing. The children learnt about how easily germs can be transferred, when to wash their hands and how to wash their hands. We then put these skills to the test!

With all our learning in Science about how to keep healthy, we should definitely have some healthy Year 2 children now!

Pupils who have read 3
times or more this week:-

Yr 1: 67%

Yr 2: 78%

Yr 3: 81%

Well done **Yr 3**, the best

**Reading at least 3 times

make a difference.**

Share Aware

Children are told it's good to share, but sharing too much online can be dangerous. Help your child stay safe on social networks, apps and games.

NSPPC's straightforward, no-nonsense advice will untangle the web, and show you how you can be just as great a parent online, as you are the rest of the time. The internet is a great place for children to be. Being Share Aware makes it safer.

We are pleased to let you know that your kind donations for the Royal British Legion poppy appeal raised £192.31.

On behalf of the Royal British Legion - Thank you!

On Wednesday 2nd December from 1.30pm - 2.00pm our new school choir kindly arranged by Miss Campbell will be spreading some Christmas cheer by singing at Rowberry's Nursery and Garden Centre.

Everyone is very welcome, so please feel free to go along and enjoy the songs the children have been working on this half term.

Forms have been sent home this week advertising the after school clubs starting after Christmas. There is Tennis Club for Yrs 1 - 3, Football for Yrs 1 - 3 and 4 - 6, Cookery Club for Yrs 5 & 6 and Forest School Club for Yrs 1 - 6.

Spaces are limited in all clubs and will be allocated on a first come first served basis.

Please be aware that your child does not automatically continue in a club from the previous half term, you will need to re-book to secure their place.

Our "Lost Property" box is now located in the Library so that the children have easy and safe access to find their missing belongings.

However, the box is now overflowing again with items from coats, jumpers, trousers, ties, shirts to home clothes all of which are not named. Please could you encourage your child to check the box for missing items and if **ALL** items of clothing, footwear, drinks bottles, lunch boxes could be named then we can ensure that missing items are returned to their rightful owners.
