BBC's prime time series 'Eat Well For Less?' is currently in production with a brand new series of the show. Applications are now open and they are currently on the lookout for fun and lively families who would love to save some money on their weekly shop and eat more healthily.

The show follows **Masterchef's Gregg Wallace** & award winning greengrocer **Chris Bavin** on a mission to prove that it is possible for families to **save money** on their food budget **without scrimping on taste and nutrition**. They hope that by analysing the shopping habits of UK families, they can help to show where we can source the best and cheapest quality food.
