**Please remember that School is closed on Tuesday 3rd May  
as it is a Teacher Training Day.**

Thank you to all the parents who were able to join us for planting trees. The children have had a great time and the trees are going to look great as they develop and grow.

The Reception children loved planting the trees and learnt a lot about the process; how to work safely with tools, how to plant the trees and heel them in, what they need to grow and that the saplings are called 'whips'! The information will be used for the Reception children to write simple instructions. The children are looking forward to seeing the trees get taller as they move through the school to Yr 6.

Yr 1 children had a great time planting trees and getting their hands dirty! They loved using the big spade to dig out the mud and taught Miss Copson a thing or two!

Mrs Attwood commented on what a lovely thing to do with the children and how sensible they all were.

Youth Makes Music Event at Kidderminster Town Hall  
Congratulations to Chaddesley Corbett School Choir who took part in the Youth Makes Music event on Wednesday evening at Kidderminster Town Hall. They sang brilliantly. Miss Campbell, who leads the choir, was amazed by their confidence and professional attitude towards the performance and is very proud of them all. They entertained the audience and received many positive comments. Well done! Thank you to all the parents who attended, it made the event very special and it was lovely to watch the other school perform as well.

## Numicon

We still have boxes of Numicon tiles available to purchase. A fantastic aid that will help you to support your child at home with their numeracy. Boxes are available from the school office at £5.00 per box.

## Reading Record

Pupils who have read 3 times or more this week:-

Rec: 70%

Yr 1: 69%-requires improvement

Yr 2: 73%

**Yr 3: 58%-requires improvement**

Yr 4: 77%

Yr 5: 61%-requires improvement

Yr 6: 70%

**Well done Yr 4 the best readers this week, although all pupils need to improve the amount of time they read each week. It will make a difference!!**

## SPaG

(Spelling & Grammar)  
Inspire Workshops  
for the Summer Term

A reminder that Year 1's SPaG workshop is on Thursday 5th May from 9.00am - 10.15am. Tea/coffee will be available in the meeting room from 8.45am

A reminder that on Friday 6th May we will be going on our annual bluebell walk to Chaddesley Corbett woods. We will be leaving at 9am and Parents/Grandparents are more than welcome to join us.

Any awards that were due on the 6th May will be given out at the achievement assembly the following week.

Sainsbury's

**Active Kids**

Eat well • Move well • Live well

A reminder that Monday 3rd May is the last day that you can collect Active Kids Vouchers from Sainsbury's stores. We won't be placing the order until late June so there is still plenty of time to gather up vouchers from home and from family and friends and bring them into school. We only have 2858 so far so need a big push so that we can order some great sports equipment.

**WHP**  
We find our days full!

We are always late for school.  
I have to shout before they take any notice.  
It's not like when I was a child, I don't know what they're doing on the computer.  
I put them to bed and they keep coming down again....  
Does this sound like you?  
He/She goes on and on so I just give in for an easy life.  
We have tried a reward chart and it didn't work.  
My stepchildren just don't listen to me.  
The 'naughty step' doesn't work.

Come with your partner/friend    Pick up hints and tips    Swap ideas about how best to manage children's behaviour

**King Charles I School**  
 Raising Achievement through Engagement  
 Headteacher: Stephen Brownlow

Their Governing body has vacancies for parent governors, and they are keen to find out if there are any parents or carers of pupils at primary school in the local pyramid who may be interested in joining them.

They have a shared interest in raising standards locally, and improving outcomes for pupils who will progress between the schools. There are already a number of initiatives between the head teachers for sharing skills, experience and staffing resource to support the transition from KS2 to KS3. They feel there is also a chance to extend this to the level of governance, and that their own governing body could benefit in its understanding of the wider educational needs of the local community, through the perspective of those who may be its future parents.

If you might be interested in being a governor at King Charles I School, they would be very pleased to hear from you. The clerk to the governors can be contacted by email: [pengleheart@kingcharles1.worcs.sch.uk](mailto:pengleheart@kingcharles1.worcs.sch.uk), or via telephone message left with the school reception, and they will gladly arrange for you to meet with Alan Neal, Chair of Governors for an initial discussion.

Hereford & Worcester Fire and Rescue Service (HWFRS) is joining with fire and rescue services across the UK in supporting the Chief Fire Officers Association's (CFOA's) Drowning Prevention and Water Safety Week 2016, which is taking place from 25 April – 1 May.

The campaign is raising awareness of the everyday dangers of being near water, as 44% of people who drowned in 2014 had no intention of entering the water. Trips, falls or underestimating the risks associated with being near water meant that 302 people lost their lives. Adhering to some simple advice can reduce your risk of ending up in the water and by asking people to 'be water aware' fire and rescue services aim to reduce the number of fatalities.

Most people would be shocked to hear that those people drowning just happen to be near water such as runners, walkers and fisherman. They are unaware of the risks and are totally unprepared for the scenario of ending up in the water. By highlighting this issue and making sure simple safety messages reach them we hope to reduce the number of these needless deaths.

With the weather getting warmer and the summer holidays coming up we are keen to highlight water safety awareness to children, their parents and as wide a cross-section of the local community as possible. We would like to highlight the dangers of open water and encourage people, whatever their age, to take extra care. People do not understand that even the strongest swimmers can find themselves in difficulty, as the cold water causes muscles to cramp. There is then a strong possibility that they cannot swim due to muscular cramps which can then lead to drowning.
