On Monday 16th May, Year 4 enjoyed a trip to Arley Arboretum to participate in a very special Harry Potter themed Forest School. As part of the experience the children

dressed up in cloaks and hats and brought their wands with them ready to protect themselves from any dementors as they travelled on the 'Hogwarts Express'. Before boarding, children were able to discover the history of the Severn Valley Railway in the museum and have a go at changing signals in the signal box!

After a steam powered journey and a short walk under beautiful blue skies, children had the opportunity to explore the arboretum and discover an array of different flora and fauna. After a spot of lunch the Forest School activities began. These activities included, whittling their own wand, making tree guardians, going on a treasure hunt for a lost horcrux and cooking a tasty snack over an open campfire.

This experience was thoroughly enjoyed by all and has inspired class 4 to write a persuasive text all about the benefits of outdoor learning! Thank you to all who supported the trip, without you we could not have given the children this wonderful experience
