## Outdoor Classroom

Everyone had a great time during their outdoor classroom day. Here's what some of the children got up to:-

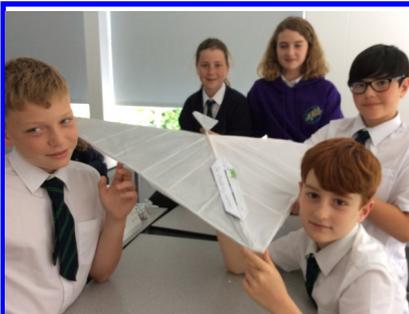

Year 2 went on an expedition. They used mathematic skills to buy the equipment they needed in their kit bags, they read a map and used compass point directions to navigate around school. On the journey they stopped to observe plants and animals within different microhabitats. After such a tiring trek they constructed shelters on the field, reading instructions carefully in order to succeed! It was an extremely enjoyable day and the children applied a range of skills and knowledge in a fun and exciting way.

Year six had a great day outside the classroom. They made carrot soup, did some weeding, and planted some more veggies: purple sprouting broccoli & kale, as well as a couple of tomatoes, all kindly donated by parents. They also practiced their end of year play in the newly seated amphitheatre. Fingers crossed for a dry evening for our performance!

Year 5 had a fantastic time at Upton Warren last Friday. They enthusiastically took part in a range of water based activities that comprised of Dragon boat raising, sailing and raft building and learnt all about the importance of working together as a team and cooperating with each other. All the children thoroughly enjoyed themselves and represented the school brilliantly. We are very proud of them all.

A few children went King Charles I School for a Gifted & Talented Science afternoon on Monday. They worked as a group in competition with the other schools to produce a landing vehicle for a space shuttle. The group did us proud during the discussion phase, showing off their fantastic scientific knowledge. At the end of the afternoon, the group produced a thoughtful design and won the competition. thanks go to Mrs Fey for accompanying them.

## Reading Record

Pupils who have read 3 times or more this week:-

Rec: 81%

Yr 1: 67%

Yr 2: 75%

Yr 3: 73%

Yr 4: 77%

Yr 5: **100%**

Yr 6: 90%

**Congratulations to Year 5 the best outstanding readers this week**

**Please read a least 3 times with your child each week.**

**It can be done and will make a difference!!**

At the end of June we will be saying a fond farewell to Mrs Banham as Miss Flude returns from her maternity leave.

We would like to say a very special thank you to Mrs Banham, who has done a wonderful job during her time here at Chaddesley Corbett, however I'm sure you will join us in welcoming Miss Flude back as she returns for the last three weeks of term.

Last Thursday four of our Rotakids officers attended the Bewdley Rotary Club youth evening where they had to stand up and do a presentation in front of approximately 70 members of Bewdley Rotary Club. This involved talking about what our Rotakids club has achieved this year and what they personally have got out of the experience of being a RotaKid. All the girls were a real credit to the school, they spoke extremely well and handled the question and answer session confidently. As we look to next year we hope the current years 4 and 5 will be as enthusiastic about getting involved.
