Outdoor Classroom Day

Following on from last week here is what year 4 got up to
for their outdoor classroom day.

Year 4 created a maths trail using the
outdoor environment for inspiration to set
questions and created Viking inspired art
work.

Last week, we took part in National School Sports Week! The children had great fun
over the week, taking part in different sporting activities.

On Tuesday, we had a visit from the Kidderminster Harriers and we took part in a
penalty shootout. There were finalists from each year group and the whole school
gathered to watch the final shootout. Congratulations to Sam Fudge from Year One,
who scored all 3 goals and won the competition!

On Tuesday afternoon, the school watched the dance club perform in assembly. The
dance club performed two pieces and had a great response from the audience. They
particularly liked their 'Sports Themed' performance to the song 'Heroes.'

On Wednesday afternoon, the School Sports Organising Crew arranged their own
event on the field. They invited each class up one at a time to take part in different
exercise activities. This included spotty dogs, star jumps, shuttle runs and speed
bounce. The children competed in their houses and the winning house was
WASELEY! Well done Waseley.

Finally, on Thursday afternoon, it was Sports Day! The children enjoyed taking part in
6 different activities around the field. They competed in their houses and the winning
house was ... MALVERN! Well done Malvern. At the end of Sports Day, the children
competed in class races and the teachers even competed in a Teacher's race! Well
done to all children who took part in Sports Day - you are all winners!

It's not like when I was a child, I don't know what they're doing on the computer.
We've tried a reward chart and it didn't work.
My stepchild just doesn't listen to me.
