A huge thank you to all of the grown ups who came in last Friday to talk to the children about how they use maths in their jobs. The children were amazed to see how much maths goes into jobs such as a bus driver, childminder and a nurse. A quote from a year 2 pupil "we use maths everywhere, everyday in every way." If they haven't already, your child will be coming home with a maths diary homework task. Please assist them in filling it in by noting down any maths they use each day. We will sharing these in class before the end of term.

**Please encourage your  
child to read at least 3  
times each week.  
It will make a  
difference!!**

Four days this week we were visited by pupils from Uplands Manor Primary School. The children spent the day in Chaddesley Woods and Forest School as part of a contrasting locality and British values day. Our current Year 2 children will be visiting Uplands Manor Primary School in November. The children worked brilliantly together to build dens and make gods eyes. Finishing the day by toasting marshmallows over the fire pit.

## Appeal for Newspapers

We need as many old newspapers as possible for a project that Year 5 will be taking part in next week.
