## **INTRODUCTION**

1. We believe that the tradition of wearing school uniform helps a child to develop loyalty and pride in its school, supports positive behaviour and discipline, encourages identity with and support for the school ethos, ensures pupils of all races and backgrounds feel welcome, protects children from social pressures to dress in a particular way and nurtures cohesion and promotes good relations between different groups of pupils. We believe that school uniform supports effective teaching and learning.
2. Our aim is to maintain a smart, practical and appropriate standard of appearance.
3. We believe that our uniform policy is fair and reasonable; the uniform chosen is affordable and does not act as a barrier to parents when choosing a school. If any parent finds it difficult to comply with this policy they are encouraged to speak to the Headteacher.
4. All children are expected to wear the approved uniform at school and unless specified, on school trips. Parents who wish an exception to be made in an individual case (for instance on medical grounds or on the basis of religious faith or belief) should contact the Headteacher.
5. All items of clothing must be clearly marked with the child's name.
6. Items of uniform embroidered with the school logo are available from the school office. We have sourced these items after consulting with more than one supplier and will continue to ensure that the current supplier's prices are competitive. We do not believe that these items are so expensive as to leave pupils or their families feeling unable to apply to, or attend a school of their choice, due to the cost of the uniform. Any parent, or prospective parent, finding difficulty on this issue is encouraged to raise this matter with the Headteacher. For pupils receiving Pupil Premium funding, we provide embroidered items of uniform at no cost.
