 Congratulations to Years 6, who have the best **"outstanding"** attendance this week!

Our year 6 pupils have been invited to King Charles I School to attend six science sessions so that they can experience the science laboratories. They attended their first session on Tuesday and this week the class worked scientifically to measure the speed of maggots! Thank you very much to parents dropping off at King Charles I School, we will be following the same procedure next Tuesday. However, please ensure children are not dropped off before 9am at the upper site as no-one will be there to supervise until then.

The children in Year 2 were very lucky to participate in an activity led by staff from the Museum of Carpet, Kidderminster this week. They listened to how carpet was created by weaving and then they all had an opportunity to use this skill themselves by weaving a cobweb. The children had a fantastic sense of achievement when they had completed the task. These will be displayed in the window of the museum during the half term holidays, so please take a visit to look at the fantastic results. Maybe get involved with their half term Halloween fun, definitely worth a visit!

Well done to Year 3, the best readers this week!

Please read a least 3 times with your child each week. It will make a difference!!

Last week Year 6 went on their residential visit to Blackwell Adventure. The pupils arrived on Wednesday afternoon and went straight into their activities which included the tree trekking and archery plus orienteering after dinner. After a good night's sleep they were back to their activities - abseiling, indoor rock climbing and the crate stack. After dinner they settled around the camp fire before going off to bed feeling quite tired. Day three involved the 3G swing, fan descender and dual zip wire. Team challenge was a big part of the visit with children encouraged to

work together to problem solve, communicate and become leaders. Year 6 did not disappoint as they worked extremely well together. We have arranged for a residential visit in June to Blackwell Adventure for pupils in Year 4, further information will be being sent home soon.

The Last Station Keeper
A new comedy by Kate Bramley with music by Jez Lowe and design by Catherine Dorn. Directed by Kate Bramley & Richard Kay

The station house at Honeypot Holt is under attack and not just from the resident bees! As the summer days drone on the threat of closure creeps nearer and nearer as the new high speed rail link threatens the bumbling ways of the station master and the railway cottage that has stood at the centre of the village for as long as anyone can remember.

Join us for a hilarious and heartfelt look at the perils of modern life as the 21st Century 'need for speed' hits the old ways head on...
