Thousands of primary and secondary school pupils are planting purple crocus bulbs as part of a project by Rotary International in Great Britain and Ireland (RIBI) to stamp out Polio across the Globe. The turf outside our front entrance was removed during the half term holiday and on Wednesday our Rotakids worked extremely hard planting the bulbs in the ground. It should be a good show next spring. For further information take a look at <http://www.rotarygbi.org/children-get-planting-for-polio/>
