New Site Manager

We are pleased to inform you that on our new Site Manager, Mr Johnson, will be starting with us on Monday 5th December. I am sure you will join us in making him feel welcome.

We would like to say a huge thank you to Mr Ellis who kindly stepped in the breach while we were recruiting.

Choir have been busy this week spreading Christmas cheer around the community.

On Tuesday the choir visited Offmore Farm Care Home. The residents thoroughly enjoyed the performance, and joined in with all the songs.

On Thursday they visited Rowberry's Garden Centre and Nursery. They received many lovely comments from the customers about their singing and received some kind donations to put towards future music projects.

The children were fantastic ambassadors for the school singing well, speaking clearly and with polite caring manners.

We would like to extend a huge thank you to MHS Travel who very kindly transported our children by coach to and from the Care Home at no charge!

If you would like to see choir perform please join us at Rowberry's on Wednesday 7th December at 1.20pm - everyone is welcome!

Reading and Phonics Inspire Workshops

Last Friday Nursery held their very first workshop on phonics. The School Speech and language therapist demonstrated some super games to play at home. It was well attended and the parents made some very positive comments "Really helpful and highlighted some key areas to help my child develop." Watch out for an early writing workshop next term.

We would also like to thank the parents who attended the Year 1 Reading Inspire Workshop on Tuesday. The children engaged well in different activities based around the book 'Mr Gumpy's outing' and practised their retelling, decoding and inference skills. Some comments from the parents include "Lovely, structured, independent activities.", "All activities were good, and different.", "I liked spending time with my daughter doing independent activities."

Year 3 wowed their audience this morning with their time travelling assembly through Pre History. We were entertained with their own rendition of Stone Age Funk as well as a prehistory inspired

dance. All children looked amazing in their costumes and spoke very clearly throughout. Well done year 3!

Class Christmas Parties

Tuesday 13th December -
 KS2 Class Christmas Parties

Wednesday 14th December -
 KS1 Class Christmas Parties

Children may wear party clothes to school on the day of their party although a warm coat and sensible footwear must be worn.

Please could each child bring a small contribution of food on the day of their party.

Some examples include large bag of crisps, packet of biscuits etc.

Please note children will still have lunch as normal on the day of their party.

You Tube Lots of children, particularly in KS2 are creating clips and videos and posting them on YouTube.

YouTube is supposed to be for users over the age of 13, due to the fact that the parent company, Google, collects and markets user data. The Children's Online Privacy Protection Act (COPPA) exempts children from data collection. But, as we all know, plenty of children have YouTube channels. One of YouTube's biggest and highest-earning users is the child star of EvanTube.

We urge parents to keep a very close eye on what their children are posting. Please talk to your children about the following:

Do not give any personal information: name, school, age or wear your school uniform.

Think about your online reputation. Remind children that anyone can see what they post online -- even if they think no one will. Potential employers and college admissions staff often browse social-networking sites.

Anything they create or communicate can be cut, altered, pasted, and sent around. Once they put something online, it's out of their control and can be taken out of context and used to hurt them or someone else.

Avoid drama. Don't forward harmful messages or embarrassing photos.

Don't post your location. Social networks allow kids to post their locations, and, although it might be tempting to use these features to connect with friends or brag about where they've been, it's just not safe for children.

Watch the clock. Social-networking sites can be real time sucks. Hours and hours can go by, which isn't great for getting homework done, practicing sports or music, or reading.

REMINDER

Not long now until we go on our whole school visit to the Swan Theatre in Worcester to see Cinderella.

Please could we remind you that full payment is to be sent in to school no later than **Friday 9th December**

The School Council have organised a Bag2School fundraiser. A Bag2School representative will be collecting the items on Wednesday 18th January so a great opportunity to have a clear out just before, or after Christmas.

The curtains, towels and bedding is new. On the bags that are sent out, it will say no to these items but these bags are old and they are now accepting them.
