Merry Christmas and Happy New Year from everyone at  
Chaddesley Corbett Endowed Primary School.

We look forward to seeing everyone again when we return on  
Wednesday 4th January 2017.

A big thank you to all the families who joined us at the Christingle service on Sunday at St. Cassian's church, it was

lovely to see so many pupils from school. Everybody got to make their own Christingle which enabled us to learn what each part represented. This was followed by a beautiful service. Our thanks go to all the members of the church that arranged this special service.

On Monday 12th December the whole school visited the Swan Theatre in Worcester to see Cinderella.

Everyone had a fantastic time, oh yes they did!!, and the children behaved wonderfully. We even had two lucky children invited up on stage.

Thank you to Mrs Biggs and Mrs Burgess for organising this huge event, everything ran very smoothly.

**ATTENDANCE MATTERS**  
every school day counts.

**Whole School Attendance for the Autumn Term:**

**97.4%**

**This is above our target of 97% which is excellent!!**

**Thank you to everyone for their great attendance this term.**

The choir have completed a run of performances. They sang beautiful at our school Christmas fair welcoming everybody in. They also made a return visit to Rowberry's as they were in demand!! We are all very proud of the choir for their fantastic singing. They have brought Christmas cheer to so many people and we have received some lovely feedback regarding their performances which they thoroughly deserved.

The Rota Kids are going to run an appeal for Vision Aid Overseas. Founded in 1985, Vision Aid Overseas has been helping some of the poorest people in the world to see properly for over 30 years. Whether you are a teacher in Ghana, a seamstress in Zambia, or a school pupil in Ethiopia, poor eye sight can have a devastating impact on your life and livelihood.

If you have any old glasses that are no longer used please drop them into school where we will collect them and take them to a local opticians. The glasses are not reused but money made from the materials of the glasses are used for eye care like sight tests etc. which means that we can help give the opportunity to people overseas to access learning and new skills.
