Thank you to the Parents/Carers who attended our Achievement Assembly this week.

I hope the New Year has started well for all of you. Governors have been very busy already, and I would like to update you on our plans this term. We are engaged in an accredited governance qualification, the "Effective School Governance Award", and had our interim assessment last week. We are pleased to tell you that the assessor was extremely pleased with what he saw, and we are confident that we will gain the award next term. Governors are completing training updates this term, one governor will complete the new government "Improving School Governance" course, and others will update their "Safeguarding" and "Challenging School Leader" courses. All new governors will have completed their induction this term. Visits to school by governors are focusing on the new curriculum, Health and Safety, SEND and assessment. I visited several classes last week with our Speech and Language therapist and was delighted by the impact of her work on all children's language development.

On Fridays, governors will continue to attend the Praise Assembly, and will stay behind each week to allow parents to talk to us after assembly. Our hope is that as many of you as possible will introduce yourselves to us, and talk to us about your views of and ideas about how to improve the school.

My warmest best wishes.

Polly McMeeking MA Ed. Chair of Governors
