Message from the Governors

As we near the Easter holiday, Governors would like to thank all parents we have met at school on Friday mornings this term. As you know, we attend every Achievement Assembly and are then available until 11 am to any parent who wishes to speak to us. Following this half term's chats, we have brought parent ideas around our sanctions and rewards system, the ways unkind behaviours are dealt with, uniform suppliers and holiday care to our committee meetings and each of these inputs has led to governor reviews to help improve our school. We do hope to meet many more of you at future Friday assemblies.

We are very happy that the school is now able to offer a full programme of holiday activities throughout the year, and know that children will have a stimulating time in these themed sessions in our lovely school environment.

Governors were pleased to receive such a positive letter from Ofsted about their recent visit, and are grateful to all staff who have worked so hard to achieve so much for our children. We have been engaged on the government's Leadership in Governance programme recently and are now moving further forward on things like business risk and asset management; and we have been active in ensuring that agencies have paid funding more promptly too!

It was lovely seeing everyone at the Easter service and having the opportunity to catch up with you. Have a joyful and peaceful holiday.

Polly McMeeking MA
Chair of Governors

Well done to all the pupils in KS2 for their wonderful Easter Service. Beautiful singing, and confident readers. We'd like to thank everyone who was able to come along and celebrate with us, it was lovely to see everyone. Thank you also to the staff in KS2 for arranging the Service, to the Talbot Inn for kindly allowing our parents/carers to use their car park and to our Governors for kindly serving refreshments after the service.

You are warmly invited to attend the Palm Sunday Service at St Cassian's Church on Sunday 14th April. Everyone will meet on The Green at 9.30am for

a Palm Sunday walk through the village and then will go back to church to see a real palm cross and have refreshments.

You are also invited to attend the family service at 10am on Good Friday, 19th April. Children will have the opportunity to make Easter gardens and tea/coffee and hot cross buns will be served after the service.

Everyone welcome!

Congratulations to Izzy Foreman who has achieved her Silver music medal in violin. This included an "excellent" for her ensemble. Well done Izzy, we are very proud of your achievement.

KS2 Dance Club had a lovely time at the Dementia Cafe held in Chaddesley Village Hall on Wednesday afternoon. The children performed two dances on the stage and then spent time talking to and playing games with the audience. The children represented the school extremely well and performed with confidence. Well done everyone!

On Wednesday, a group of Y6 pupils took part in the West Mercia Police Tag Rugby tournament. The team had an energetic day, playing 8 matches and finishing as the winners of their group. Well done to the children, who not only played well, but whose team spirit and peer support was excellent throughout the entire day.

Home School Link Worker

Parents want the best for their children but sometimes it can be the hardest thing in the world to ask for help, or to know where to find the right help for your family, when you need it.

Our Home School Link Worker, Helen Cartwright is here to help and will be in School for a drop-in on:

Wednesday 1st May from 2.30pm - 3.00pm.

Please feel free to come along for a chat, no appointment necessary.

Summer Uniform

When we return after Easter children may wear their Summer Uniform. Here is a reminder:-

All Pupils

Grey short trousers / navy skirt or green chequered dress
Short-sleeve white shirt (**not a polo shirt**)
Grey / white socks
Black / navy shoes (**not trainers, boots or sandals**)
Logoed cardigan or sweatshirt if required

Please ensure that all items of clothing (including coats, shirts and trousers) are clearly labelled with your child's name.

ERIC time (Everybody Read In Class)

From Monday 29th April
We would like to invite
Parents/Carers/
Grandparents to join us to read with their child on
Monday afternoons.

Nursery will read from 2.45pm - 3.00pm and the rest of the school from 3.00pm. We would recommend that if you have more than one child in school, that you arrange a routine where one week you're with one child and the following week with the other etc.

You are welcome to bring younger siblings with you.

Please sign in at the school office on your arrival.

Year three visited Worcester Cathedral on Monday 8th April. We had a fantastic day exploring the Cathedral, making stained 'glass' windows

(now on display on our classroom window) and then participating in a music workshop inside the main cathedral. The children asked some insightful questions, demonstrated great listening skills and

showed some fabulous creative talents. They were a credit to the school.

As per recent reports in the news, car emissions are playing a greater part in causing poor air quality, putting asthmatics at higher risk of having an asthma attack. We have noticed several cars with their engines running while parents/carers are waiting for the end of the school day or for the gates to the car park to be opened. Please could we ask you to support us in reducing pollution and turn off your engine while waiting.

Thank you

We love to see dogs being walked along the footpaths to the back of our school, however

please could we ask that you keep your dogs on their lead at all times and clear away any dog mess. We do ask that no dogs are brought onto the School site for health and safety reasons. Any dogs brought onto site for educational purposes are risk assessed and are fully wormed and inoculated.

Thank you for your support.
