Gold Award Achievers this week

Naomi Smith, Sophie Bowers
Aiden Howes, Jacob Chorostowski
Ruby Walsh, Ben Attwood, Brook Mullins,

Certificates will be awarded at next week's Achievement Assembly due to the Harvest Festival this week.

Between Wednesday 25th – Friday 27th September, the children from year 6 (alongside Mr Harris, Mrs Brabbing and

Mrs Tapp) visited the Kingswood Centre in Staffordshire. As well as staying away from home for two nights, the children were challenged with activities which aimed to push them outside of their comfort zone. Despite the many thrilling trials they faced (including abseiling from the dizzy height of 10 metres and a terrifying 'leap of faith') the trickiest part of the trip for some was having to

make their own bed!

This was a truly amazing experience for all involved and the children of class 6 would like to say a huge thank you to all who made it possible. Memories made during these days will stay with them forever.

TEMPEST

Speech, Language & Communication Skills Newsletter Tips

Speech, language and communication skills are important for all children, not just those with identified needs. This fun activity will heighten your awareness of speaking and listening and in turn develop language skills that are so important to literacy and learning.

Tip 2: Cooking. Do some cooking with your child. It involves co-operation, planning, reading and listening. All things you need to succeed in school. As well as being great skills for life. <http://www.cookuk.co.uk/children-index.htm>

Thank you for all the stickers you have brought in so far. We are half way there on the poster and have just one month to go, so keep going and don't forget to also ask friends and relatives to collect them for you too.

THE CRISP PACKET RECYCLING SCHEME

ACCEPTED WASTE

Waste that is NOT accepted:

- Rippled bags
- Chip tubes
- Pringle bags
- Heat sealed bags

Waste that is accepted:

- Any brand of crisp packets

A reminder that we are a collection point for recycling crisp packets at Chaddesley Corbett Primary School which is linked closely with Walkers crisps.

The children take responsibility of sorting and boxing up the packets, ready to be sent away. A great way for our children to understand the importance of 'Looking after our school, Looking after our world' which encompasses our School Value of 'Pride of place'.

All we ask is that any crisp packets dropped off for recycling are wiped out before being dropped off. Empty clean crisp packets can be placed in the green bin located just outside the main entrance to school.
