

# Chaddesley Corbett Endowed Primary School Newsletter

Issue 27 - 3rd April 2020

Although we're not in school to celebrate Easter and are unable to join together for the KS2 led Easter Service this year, we will still hope that you can celebrate and enjoy some fun Easter activities at home with your children.

## Keeping Children Safe Online

### Where can I go to get support to help keep my child safe online?

There is a lot of support available to keep your child safe online. Below are some useful links:-

Thinkyouknow (advice from the National Crime Agency to stay safe online - <https://www.thinkuknow.co.uk/>)

Internet matters - [https://www.internetmatters.org/?gclid=EAlaIqObChMIktuA5LWK2wIVRYXVCh2afg2aE- AAYASAAEgIJ5vD\\_BwE](https://www.internetmatters.org/?gclid=EAlaIqObChMIktuA5LWK2wIVRYXVCh2afg2aE- AAYASAAEgIJ5vD_BwE)

Parent info - <https://parentinfo.org/>

LGfL - (online safety & Safeguarding) - <https://www.lgfl.net/online-safety/default.aspx>

Net-aware (support for parents and carers from the NSPCC) - <https://www.net-aware.org.uk/>

## Chess

### Invite a Friend to Play

Now is a great time to play chess with friends and family. Challenge an old friend... or, make a new friend! When a new friend joins from your link, you are automatically friends. (And, if they sign up for a premium membership, you get free premium membership too!) Click on this link to get started - <https://www.chess.com/login>

## Worcestershire Health & Care NHS Trust

With Schools being closed the Worcestershire Health & Care NHS Trust has provided a list of support services, that if required, children, young people & families can access whilst they're off school:-

## Year 6 After School Woodwork Club

This term woodwork club have made bird boxes. They worked hard to learn new skills and used power tools safely. We are really hoping to hear that garden birds have moved in soon.

## Top Tips for how to Stay Fire Safe

You should have working smoke alarms fitted on every level of your home. They give you vital time to 'get out, stay out and call 999' if ever you're unlucky enough to have a fire. And it's crucial that you test them regularly – we advise once a week.

**With more people staying at home, we are asking everyone to be extra careful, to avoid fires happening in the first place...some top tips:-**

If you're at home because you're ill or self-isolating, please take extra care if you're cooking. Most house fires start in the kitchen. Always 'Watch what you heat'.

**Switch off any electrical items you're not using. If you use a charger, for a phone or laptop for example, don't leave it plugged in and switched on when you're asleep or not using it.**

Candles should be secured safely in a proper holder and never left unattended. Same with a portable heater, remember not to put it close to things that could easily catch fire, like bedding, clothes, soft furnishings or curtains.

**If you smoke, be extra vigilant. Keep matches and lighters away from children, and double check that your cigarette is properly extinguished. Try not to smoke if you've been drinking alcohol, and avoid smoking in bed or if you're feeling sleepy. If you can do so safely, smoke outdoors.**

Whenever possible, especially when you're asleep, keep all internal doors closed. This helps to stop fire spreading.

**Plan and practice an escape plan and make sure everyone in the house is aware. If a fire does happen, don't be tempted to tackle it yourself. Get out (closing doors as you go), stay out and call 999.**

If you would like any further advice please visit [www.hwfire.org.uk](http://www.hwfire.org.uk) or call 0800 032 1155

## The Speech Link Team Our Parent Portal is now live!

Visit <https://speechandlanguage.info/parents> for lots of speech and language resources, advice and tips for parents/carers working at home with their children who have SLCN.

## Free resource explaining COVID-19 to younger children

So many children are feeling worried and anxious right now, this could help alleviate some of their fears. Click on link below:-
