Congratulations to Years 1, 3 & 5 with the best 'outstanding' attendance this week.

Last Friday BBC Hereford & Worcester set up a Zoom Meeting so that all the children in their class bubbles could meet Pudsey Bear online. They would like to thank you all so much for your donations for Children In Need. They are still adding up donations, but so far schools in Hereford & Worcester have raised £3264.00, which is brilliant. We ran out of wristbands and badges quite quickly here at Chaddesley Corbett Primary School and raised a fabulous £133.00.

On behalf of Children In Need, thank you!

IMPORTANT - please get in touch if you need help

If face-to-face education is disrupted by coronavirus (COVID-19) and children have to learn from home, the Department of Education through the 'Get help with technology service' will help with technology for disadvantaged families.

Examples of disadvantaged children may include:-

- A child with no digital devices in their household.
- A child whose only available device is a smartphone.
- A child with a single device in their household that's being shared with more than one other family member.

If you believe you fit into any of the above categories please email the school office - office@chaddesleycorbett.worcs.sch.uk to let us know your circumstances and to give us permission to share your contact details with the 'Get help with technology service'.

Parent forums in Worcestershire are looking for new members

Did you know there are two parent forums in Worcestershire?

Families in Partnership is for parents of children and young people with Special Educational Needs and Disabilities (SEND), and **Parents' Voice**, a group for all parents. These forums are there to encourage parents and carers to have their say about all sorts of things affecting families, locally and nationally.

Both forums want to keep parents informed about what is going on in Worcestershire and give you opportunities to become involved. They are independent, run by parents or parent carers and are completely free to join. They keep their members up to date through emails or newsletters and social media, you can be involved as much or as little as you like, depending on how much time you have to spare.

Further information is attached including how to join.
