## A reminder

If you have done some exciting home learning, perhaps you would like us to share it with our community. Just send us a snap with a few lines and it could appear here!

We would like to have set up a Science Club in School but as that's not possible at the moment we thought we'd provide you with a science activity that children can do at home if they

wish to, with help from a Parent/Carer.

Our first activity is Rocketing Balloons.

Please click on the link below for further information.
