IMPORTANT

Reporting a Positive Covid-19 Test

For families of children WHO HAVE BEEN IN SCHOOL please contact school by email: office@chaddesleycorbett.worcs.sch.uk **ONLY** if your child tests positive for Coronavirus (Covid-19) between Friday 12th and Sunday 14th February. After this time it is deemed unlikely that your child has contracted Covid-19 from anyone in school.

Should we be notified of a positive case we will contact the families and staff within that child's bubble to inform you that you'll need to isolate for 10 days.

Here2Help

Here2Help is available for families self-isolating and unable to get support from friends, family or neighbours.

Here2Help website is where families can find resources to help with staying at home during Coronavirus as well as an online form they can fill out to request the support they need. If you don't have internet access, you can call 01905 768053 which is open Monday to Thursday, 9am - 5pm and Friday 9am - 4.30pm. Here2Help will signpost callers to up to date advice and arrange volunteer support where required to help those who are unable to leave their homes as a result of needing to self-isolate. The types of support available include:

- *Collecting and delivering food and supplies
- *Arranging emergency food support
- *Help collecting prescriptions
- *Help with other commitments such as pet needs
- *Support for those who are feeling isolated
- *Advice around money, benefits and debt

Here is this week's science activity that children can do at home (with help from a Parent/Carer) if they'd like to.

Light Up Science!

Activities to try indoors and outdoors.

Please see PDF attached for further information.

New Outdoor Wooden Activity Climbing Frame

In order to encourage more physical activity at playtimes, we are pleased to share with you our fabulous new climbing frame. It has been built in the upper playground and is a welcome addition to our trim trail and climbing wall. We can't wait to have a go on it!

I'm sure the children will enjoy playing on it on a rotation basis until it is possible for all of the children to play together again.

MAB (Mainstream Autism Base)

Important information attached!

Please see the PDF attached with some pre-consultation information about a proposed MAB that may be built on the school site.

Tips to Improving Low Self Esteem
Simple techniques that may help you feel better about yourself.

Be Kind To Yourself

Being kind to yourself means being gentle to yourself at times when you feel like being self-critical.

Think what you'd say to a friend in a similar situation. We often give far better advice to others than we do to ourselves.

Plea from Wraparound Care

If you have any unwanted toys / board games that would be suitable for children aged 8 - 11 years please donate them to our Wraparound Care Team.

Thank you
