## Our MAB Proposal

Our school has been offered the opportunity to develop its SEND resources and skills by Worcestershire Children First. We have secured the funding to build and operate a mainstream base for ten pupils who hold EHC plans for autism and which would open in 2022. Over the coming weeks we will be providing information about the proposal and seeking the opinions of everyone interested in the future of our school. Our website now holds a special section for weekly updates.

Simple techniques that may help  
you feel better about yourself.

### Learn to be Assertive

Being assertive is about respecting  
other people's opinions and needs, and expecting the  
same from them.

One trick is to look at other people who act assertively  
and copy what they do.

It's not about pretending you're someone you're not. It's  
picking up hints and tips from people you admire and  
letting the real you come out.

## Art Competition - My Green Street

**GREENPEACE**  
Worcester

to cycle, walk and play!

Greenpeace Worcester want to say a big  
hurrah to Worcestershire County Council for  
their support with making our towns great  
places to walk, cycle and play!\*

Now we need your help! Could you design a poster to show Worcestershire County Council what  
great places to walk, cycle and play could look like in your street?

So, here is your opportunity to be as creative as possible  
and design a poster showing what better cycleways, more  
walkways, more green spaces to play, and less pollution  
could look like in your street!

The winning posters will be used by Greenpeace in their transport campaign. Each age group from  
5-11 years old will have 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> place prizes from a selection of Greenpeace goodies. All  
entrants will be emailed a Greenpeace Worcester certificate of entrance.

week commencing Monday 22<sup>nd</sup> March.
