MAB Consultation

We are hoping to start our consultation process for the Mainstream Autism Base on Monday 15th March until Sunday 25th April 2021.

We would like to give you lots of information which will be on our website and listen to your views.

All the paperwork will appear under the Mainstream Autism Base tab.

Additionally, once you've looked at everything we will be holding some virtual meetings for you to ask questions.

These will be held on 30th March 2021 at 6.00pm for Parents/Carers and 20th April 2021 for all other interested parties.

If you would like to attend please email the school office for the zoom link - office@chaddesleycorbett.worcs.sch.uk

Our MAB Proposal

- In the MAB section on the school website this week, we can watch a lovely video which explains the gifts and difficulties autism can bring for a child.
- We can also see how our school is so well resourced to create a successful mainstream autism base.
- Over the last week, Miss Edwards has been meeting with expert building consultants who know a lot about building beautiful MABs.

Don't forget to look at our website www.ccschool.worcs.sch.uk for updates about the Mainstream Autism Base

10AM to 11AM
STARTING FROM
20TH APRIL 2021

All accompanied pre-school
aged children are welcome.

Cost £4.00 per child, per
session.

Includes drink & a snack

Situated on the A448
Kidderminster / Bromsgrove Road

Plenty of free off-road parking.

Please phone **01562 777312**
to book your place

Car Parking

In order to help with parking, now that we're all back at school, please can we ask that you park considerately and do not block the entrance and exit to the staff car park and lower playground car park. We ask that you do not park along the road where the hazard tape has been placed as this also blocks the way for cars getting on and off the site.

We do appreciate it is very busy at home time and would ask that you remain patient and vacate the site as soon as possible after collecting your child.

Thank you

Change of Contact Details

Have you recently moved house or changed your mobile phone number?

If you, or any of the contacts we have listed for your child, has moved house or changed their mobile phone number please ensure you have passed these details on to the school office.

Tips to Improving Low Self Esteem

Simple techniques that may help you feel better about yourself.

Build positive relationships

If you find certain people tend to bring you down, try to spend less time with them, or tell them how you feel about their words or actions.

Try to build relationships with people who are positive and who appreciate you.
