CHADDESLEY CORBETT ENDOWED PRIMARY & PRE-SCHOOL

2nd November 2021

Dear parents and carers,

I hope you all had a lovely half term and managed to have some fun with your children despite the heavy rain! I just wanted to send a quick note about Covid-19 and reassure you that we are following Government advice for schools.

We have had a few cases cropping up in school last half term which affected some children and staff. If there is a positive case in your child's class, we will inform you via email. We are not required to do this but feel that we would like to, so that you are well informed. Guidance remains that children and fully vaccinated adults **DO NOT** need to stay away even if they have been in close contact but are advised to be tested and only stay away if **they themselves** test positive.

We have COVID-19 contingency plans ready should numbers in school rise to greater than 10%. We will reinstate some of the previous methods of infection control, if we have an outbreak. We will of course keep you fully informed. We have had the half term holiday as a circuit break and hope that numbers will remain low.

We have decided that parents' evening tonight will be held in classrooms. We had planned to do it in the hall but after canvassing opinion, feel parents would prefer to limit mixing.

We appreciate your attendance and believe that the least disruption to your child's education during these challenging times is absolutely paramount for their long term mental wellbeing and educational outcomes. Thank you for your continued support.

Very best wishes,

Emma James
Headteacher
