## Attendance Matters

Everyone was  
in school on  
Thursday this  
week and we are celebrating 100%  
attendance. Well done everyone!

WORLD  
**BOOK  
DAY**

World Book Day takes place on Thursday 3rd March  
 On this day, we would like the pupils to dress up as their  
favourite book character, author or illustrator.

This webpage <https://www.worldbookday.com/dressing-up-ideas/> has a range of ideas that require inexpensive items or things you already have at home.

Pupils will also receive their book token on this day which can be swapped for one of fifteen World Book Day books or if you'd prefer, you can use your book token to get £1 off any full price book instead.

Thank you to everyone who has recycled their crisp packets with us over the last few years.

As there is now a great network of local recycling points TerraCycle UK will no longer be running this scheme.

Therefore from the 1st April we will no longer be collecting and recycling crisp packets on their behalf.

If you would like to continue recycling crisp packets, and other items, please click on the link below to find your nearest recycling point.

### Well-being

Please click on the link below to see the Wyre Forest School Sport Partnership's February half term Wellbeing newsletter. It is filled with ideas to support the whole family (adults and children) in improving your overall wellbeing through opportunities that are linked to the '5 Ways to Wellbeing'.

### Sore throats, Coughs & Colds

If your child has a sore throat, cough & cold, we would ask that you to arrange for them to have a Lateral Flow Test before sending them to school. Providing the LFT is negative then we are happy for them to attend, there is no need to organise a PCR test in this instance.

If your child has a high temperature or a persistent cough and the Lateral Flow Test is negative then in this instance we would ask that you organise a PCR test as soon as possible and keep your child at home until you have the result.

Thank you for your support with this

### Healthy Snacks

A reminder that children may bring a healthy snack to school to eat at morning break time.

Eg. Fruit, vegetables or snacks low in salt and sugar - please check packaging, include your child and encourage them to make healthy choices.

### Closing the Word Gap!

As a fun activity we will provide a word every week for you to talk about with your child.

Give it a go and see if they understand it! Use it in some sentences and see if they can too.

There are also words on your children's topic sheets.

To raise funds for the new Autism Resource Centre, Professor Barry Carpenter CBE OBE FCCT, has organised this wonderful concert. It would be wonderful if our families could support the event - please share this with friends and family.
