Miss Edwards is running the SEND drop-in on the following day next week:-

Weds 2.30pm - 4.00pm

Please feel free to drop-in during the above times to discuss any concerns you have about your child's educational needs.

## Polite Message from the ARC

We ask that you please keep to the pathways and pedestrian crossing when walking to and from school, avoiding the main school driveway. We have an increased amount of taxis dropping off and picking up children at Chaddesley Corbett which increases traffic directly in front of the school.

Please can we also remind parents and visitors to be mindful when parking on the main staff car park. Over the Autumn term we have had several reports of damage to staff vehicles including significant scratches and dents.

## Sign of the week

'Good morning'

Using the dominant hand, do GOOD sign (thumbs up) then dominant finger tips tap non-dominant side of chest moving across to tap dominant side of chest.

## British Science Week 2023

We will be holding our annual science week from Monday 13th - Friday 17th March and hope you will be able to come in at some point in the week to support your child. We will be inviting parents in during the afternoons of the 13th, 14th, 15th March and will be holding our Science Fayre during the afternoon of the 17th

March. We would also like to invite any parents or grandparents who work in a job that involves science or engineering that would be happy to come in and talk to the children about what they do. We have had some really interesting sessions in previous years and the children always enjoy hearing about how science is used in the real world. If you are able to help us with this please speak to either your child's class teach or to Ruth Parker in Year 4.
