Year 4 SING It! Concert

On Thursday, Year 4 spent the day at Winterfold House School taking part in their annual Sing It! day. They joined pupils in Years 3 and 4 at Winterfold House School and took part in a series of singing and music workshops, including singing with their band the Groove Diggers. At the end of the day they put on an amazing concert for their parents and carers and all sang beautifully! Year 4 were all brilliantly behaved and it was amazing how quickly they were able to learn the eight songs they performed.

Important Message

For safety reasons children **must not** play in the Forest School area unless supervised by a Teacher or member of staff. Therefore, in order to keep your children safe, please do not let them play in this area after school.

Thank you for your support.

Pupils who have accessed Times Table Rock Stars 3 times or more this week

Year 3: 83%
Year 4: 56% **← Too low**
Year 5: 72%
Year 6: 37% **← Far Too low**

Well done to Year 3 you are the best Times Table Rock Stars again this week!

Please encourage your child to access Times Table Rock Stars at least 3 times each week. The importance of knowing their times tables underpins all maths concepts and can be used and applied across the maths curriculum.

SEND Drop-in

Miss Edwards is running the SEND drop-in on the following day after half term:-

Weds 2.30pm - 4.00pm

Please feel free to drop-in during the above times to discuss any concerns you have about your child's educational needs.

A Kidderminster Harriers coach has been in school once a week during this half term working with year groups 1 - 6. The fun football sessions focus on dribbling and team work. Children were then able to put these skills into a match at the end. We are very proud of our link with the local football club and will continue to work with Kidderminster Harriers in the future.

WORLD BOOK DAY

Our World Book Day celebrations will take place on Friday 3rd March.

On this day, we would like the pupils to dress up as their favourite book character, author or illustrator.

This webpage <https://www.netmums.com/world-book-day/top-world-book-day-costume-ideas> has a range of ideas that

require inexpensive items or things you already have at home.

We shall be completing lots of book-themed activities during the day to celebrate the joy of reading!

Pupils will also receive their book token on this day which can be swapped for one of twelve World Book Day books or if you'd prefer, you can use your book token to get £1 off any full price book instead.

British Science Week 2023

We will be holding our annual science week from Monday 13th - Friday 17th March and hope you will be able to come in at some point in the week to support your child. We will be inviting parents in during the afternoons of the

13th, 14th, 15th March and will be holding our Science Fayre during the afternoon of the 17th March. We would also like to invite any parents or grandparents who work in a job that involves science or engineering that would be happy to come in and talk to the children about what they do. We have had some really interesting sessions in previous years and the children always enjoy hearing about how science is used in the real world. If you are able to help us with this please speak to either your child's class teach or to Ruth Parker in Year 4.

Sign of the week

'Holiday'

Small forward movement finishing with the palm facing outward.

Closing the Word Gap!

As a fun activity we will provide a word every week for you to talk about with your child.

Give it a go and see if they understand it! Use it in some sentences and see if they can too.

There are also words on your children's topic sheets.
