Year 6 Citizen's Challenge

On Thursday 8th June, Year
6 attended Wyre Forest Fire
Station to learn about different
ways of keeping themselves
safe. They learned
about how to be safe on our
roads, how to seek assistance
if someone finds
themselves in difficulty in
water and which emergency
procedures to follow if a
house fire occurs. In addition
to this, members of the

National Grid explained emergency procedures near substations and the police debunked some myths about knife crime as well as explaining how a criminal conviction can affect many aspects of your life such as employment, travel or university places. The pupils were wonderful ambassadors for the school and were praised for their excellent knowledge in many areas of the morning's studies.

Year 6 Fiver Challenge

Thank you to
everybody

excellent entrepreneurs: completing their
business plans, market research and marketing
campaigns
brilliantly! Their
final profit was
over £560 which
will be used
towards special
events to mark
their final weeks
at Chaddesley

The NED Show

On Tuesday 27th June children we have arranged for All for KIDZ to come into School to present the NED show to pupils from Reception to Yr 6.

NED is a loveable cartoon character whose name is an acronym for Never give up, Encourage others, and Do your best. A fun, informative and enjoyable afternoon for all the children.

Unfortunately Year 4 won't be in school that day as they have their school visit to Lakeside.

A reminder to please ensure that your child has their sun cream, sun hat and water bottle with them in school each day.

Please ensure that all of your child's items are clearly named.

Closing the Word Gap!

As a fun activity we will provide a word every week for you to talk about with your child.

Give it a go and see if they understand it!

Use it in some sentences and see if they can too.

There are also words on your children's topic sheets.

Index finger points up to the sky and draws a circle (sign for sun)

Fingers on top of opposite hand rub in circular motion to demonstrate rubbing in cream.

Collection day Monday 17th July

By getting involved in our **Bag2School** collection, you have an opportunity to sort through your cupboards and wardrobes and donate unwanted textiles in the bag provided – this can include adults' and children's clothes, shoes (tied together please), hats, belts, handbags and soft toys, (

please refer to <http://uk.bag2school.com/> for full details).

In addition to raising much needed funds it will also raise awareness amongst the children of the benefits of recycling and reuse.

If you fill the donation bag and still have more then you can use any other bag to donate your items and don't forget to ask grandparents, friends and neighbours to have a sort out as well!

Bag2School will be collecting from Chaddesley Corbett Endowed Primary School on **Monday 17th July 2023**. Please bring your bag (or bags!) to school and put them under the canopy at the front of school (your left as you are walking towards school entrance). Please help us have a really good collection whilst you get the opportunity to have a good clear out!

Many thanks indeed for helping us with this fundraising opportunity.
