## Bees Welcome

There is a new buzz around school this week after a colony of bees arrived by post! They were sent, along with a hive, 12 bee suits and other equipment, by The British Bee Charity as part of their Bees4Schools

scheme.

The hive is located well away from children and visitors at the entrance to the car park. You are welcome to approach it for a closer look but please keep a respectful distance and do not touch the hive. Children should not be allowed near it unless accompanied by an adult.

Mrs Small and Mrs Wiffen are both experienced beekeepers and, once the colony is settled, they hope to show interested groups of children what's inside the hive to learn about the life of bees. With luck, we will also be able to harvest honey for everyone to try.

## Elected Parent Governor

Thank you to everyone for their nominations. We are pleased to let you know that Jodie Poole has been re-elected as Parent Governor for another 4-year term.

Last week Thomas Whiteman and Bethan Cooney represented Chaddesley Corbett Primary School at the Worcestershire Primary STEM Challenge

final which was held at Yamazaki Mazak, Worcester. They had to compete against other schools to build K'nex models based on using robots within a warehouse. They both represented the school superbly and we are very proud of them because to even get to this stage of the competition they had to be selected from 3000 students from across Worcestershire, which is an amazing achievement. Well done Thomas and Bethan!!

### Reception Balanceability Session

Class Reception had the most amazing experience on Tuesday. Marcus, the sports coach from St. Catherine's Primary School led the children in a balanceability session using balancing skills through a range of climbing activities. They applied these to the bikes negotiating pathways and most importantly learning how to stop! Every child thoroughly enjoyed the session.

They could not stop saying how much they liked it and wanted to do it again! Many thanks to St. Catherine's for offering us this opportunity.

### Year 2 Class Assembly

Year 2 showcased all that they have learnt during their FAME lessons this year with a class assembly. Since September, Year 2 have been learning to play the recorder. They have learnt how to read musical notes in the written form and how long to hold each note for. Over the year they have learnt to play numerous songs including Jingle Bells, Jolly Old St Nicholas, Mary had a Little Lamb and more recently Mamma Mia. They had great fun dressing up as ABBA and showcasing their fantastic musical talents to the rest of the school and their families. Thank you to everyone who was able to join us.

**Well done Year 2!!**

### Arc Update

The ARC has been very busy over the last few weeks as the outdoor area has been developed into a 'sensory extravaganza' by the wonderful team from Play to Measure. The children and ARC team have been able to share their ideas, hopes and wishes and have them brought to life. Every child has been

involved in each step of the development and they are excited to explore, play and engage in their new sensory playground environment. Huge thank you to everyone

involved, especially to the Play to Measure team. If you have any questions about the ARC please do speak to a member of the team.

PART OF THE FOUR STONES

A message from King Charles I School: We have been delighted that we have been able to visit all our main feeders this week so we can share valuable information to support students transition into Year 7. We have heard some wonderful things!

Over the last few weeks, we have held additional transition events, which continue throughout this term to allow students to become more familiar with the King Charles Borington Road site and meet some of our staff to build confidence and familiarity.

Our technology team have been wowed by the quality of the work students have produced due their product design workshops they have participated in during the summer term. We cannot wait to work with you in the future. Please see some of our photos posted on our twitter account by following us on twitter @KC1School.

Year 6 parents/carers should have received their son/daughters tutor group allocation via edulink by Friday 16<sup>th</sup> June. Please contact King Charles I School if you have not received this. We look forward to seeing you next Wednesday for our 'New Intake Evening'.

**Collection day Monday 17<sup>th</sup> July**

By getting involved in our **Bag2School** collection, you have an opportunity to sort through your cupboards and wardrobes and donate unwanted textiles in the bag provided – this can include adults' and children's clothes, shoes (tied together please), hats, belts, handbags and soft toys, (please refer to <http://uk.bag2school.com/> for full details).

In addition to raising much needed funds it will also raise awareness amongst the children of the benefits of recycling and reuse.

If you fill the donation bag and still have more then you can use any other bag to donate your items and don't forget to ask grandparents, friends and neighbours to have a sort out as well!

**Bag2School** will be collecting from Chaddesley Corbett Endowed Primary School on **Monday 17<sup>th</sup> July 2023**. Please bring your bag (or bags!) to school and put them under the canopy at the front of school (your left as you are walking towards school entrance). Please help us have a really good collection whilst you get the opportunity to have a good clear out!

Many thanks indeed for helping us with this fundraising opportunity.

Parents/Carers and children welcome – children will work with their adults as there will be no other supervision available on the day.

Come for the day or just do an hour, it will all help and will be greatly appreciated.

Please bring own tools if you have them.

Who knows, Miss Edwards may even find some treats for you all!

Please let the office know if you are coming so that Miss Edwards and Mr Dobson can work out who's coming and what can be done.

Thank you. **Go Chaddesley!**
