As we come to the end of the year, having celebrated lots of wonderful achievements, we would like to wish our Year 6 pupils all the very best as they move on to their Secondary Schools in September.

We wish you all a lovely relaxing summer and we look forward to welcoming every back to School on Wednesday 6th September 2023.

We have come to the end of another school year and my how this year has flown by! I once again need to send out a huge thank you to parents, carers and friends of Chaddesley Corbett School for your support for our school, it is very much appreciated. The school has a wonderful family feel and community spirit to it, thanks to the efforts of the staff, pupils and parents. It is a pleasure for us as governors to visit school, to observe the children happily working and playing, to see the dedication of the staff, and to meet and speak with parents at the various school events and celebrations. I'd like to give a special mention to all the parents involved in the PTFA who have worked hard this year raising funds for our school – you do a fantastic job, thank you! On behalf of the governors I would also like to thank Miss Edwards who has done an amazing job as Acting Headteacher this term.

To read more about what the governors have been up to this year, and how they have continued to support the development of the school and monitor its effectiveness, please look at our Annual Report which will be available in the Governors section of the school website.

Finally I want to wish you all a safe, happy and relaxing summer, and I look forward to seeing you again in September.

With very best wishes,
Gill Griffiths, Chair of Governors.

Kidderminster Harriers Penalty Competition

Last week children from Reception to Year 6 took part in a penalty competition organised by the Kidderminster Harriers. The winners from each year then progressed to the final which took place in front of the whole school on Thursday. The finalists were Felicity Burrige, Owen Preston, Charlie Gebhard, James Desmond, Hannah Horne, Grace Jordan and Alex Griffiths.

All the children managed to score most of their penalties but the eventually winner was Hannah Horne from Year 4 who scored **ALL** 5 of her penalties. Hannah will now be invited to take part in the overall final at Aggborough Stadium, where she will compete in a penalty shootout competition against the winners from other schools.

Well done Hannah on being the Chaddesley Penalty Champion and good luck in the final.

A big thank you to everyone who sponsored Seb and Sophia for the Pretty Mudder Run Seb organised for the U11 Bromsgrove rugby team to raise money for cancer research.

There were five pupils from Chaddesley Corbett that took part including Seb and Sophia Teague, Louis, Charlie and Harry Gebhard, who between the team of 21 raised over £8000 for cancer research which is absolutely outstanding!

We are all very proud of their performance and all ran through the finish together with a massive smile on their faces as the amazing team they have grown to be.

Year 6 Production: 'Cinderella'

On Tuesday evening, Year 6 performed Roald Dahl's version of Cinderella. This amusing tale reveals the true shocking actions of Prince Charming – he chops off heads! Never fear, Cinderella was still able to find her perfect fella!

The pupils were absolutely brilliant, both in their acting and singing roles, and their comic timing and improvisation was impressive. Ed and Charlie were excellent as the Ugly Sisters, providing many laughs as they tricked the Prince into marriage. Magic Fairy (Quinn) surprised us with her twerking ability and Isabelle (Prince Charming) impressed us with her beautiful 'Smelly Feet Blues'. Kimberley excelled as Cinderella, providing us with the perfect heroine of our piece – singing and acting brilliantly throughout.

Every member of the class helped to create this outstanding performance and I am sure it will be remembered for many years to come!

Mrs Merricks

We would also like to thank Mrs Merricks and her fabulous team of staff for all their hard work in putting together such a fabulous performance.

ARC update

We are at the end of our first academic year and couldn't be more proud of the achievements the ARC children have made and the ongoing development of the ARC and the specialist team within it. In the Spring term we welcomed two more children and Mrs Yeo, teaching assistant, to our ARC family. In the new academic year we look forward to welcoming two more children, bringing us up to capacity of ten children. We also look forward to welcoming Miss D'Auncey, teaching assistant to the ARC family.

Have a wonderful Summer holiday everyone! We look forward to seeing you in September.

Closing the Word Gap!

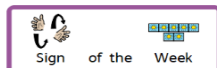

Did you know that today's children have far fewer words than children used to have? Technology could be the reason for this as we talk less to our children. Today's 'word gap' can cause slower progress at school as well as communication and behaviour difficulties.

As a fun activity we will provide a word every week for you to talk about with your child.

Give it a go and see if they understand it!

Use it in some sentences and see if they can too.

There are also words on your children's topic sheets.

Palms flat in front of chest, circle towards body, repeat as you say calm/be patient

KING CHARLES I SCHOOL

PART OF THE FOUR STONES

We were delighted with the success of our Year 5 secondary school experience day last Thursday. It was wonderful to see so many parents on our Hillgrove Site, getting involved; having tours and enjoying some sausage and chips. The students were fantastic and the feedback from staff was super. We hope to have many more opportunities for students and parents to visit us.

I would like to invite you to our Open Evening on Thursday 21st September from 5.30pm-7.30pm, which is for the Year 7 September 2024 intake. We also have an Open Morning on Friday 22nd September from 9.30am-11.00am, to see the school in action. I would like to wish everyone a very happy summer holiday from all the staff at King Charles I School.
