### IMPORTANT INFORMATION

On the day that your child has their sports day they are to come to school  
wearing their PE Kit.

To help us with safeguarding, parents/carers will be required to stay behind the taped  
area during the sports activities. We have organised it in such a way that you'll still  
have a great view but we can ensure your child remains safe. I know you will support  
us with this important issue and we'll have a great event.

Please remember that you are permitted to take photographs, however these are for  
your own personal use only and **MUST NOT** be shared on social media.

We are really looking forward to welcoming our parents/carers, family and friends to  
our sports days next week.

The Harvest Festival  
Service will take place on  
Friday 6th October in the  
School Hall at 9.00am.

The service will be led by  
pupils from Pre-School,  
Reception, Year 1 & Year  
2, whose parents / carers  
are especially welcome.

We ask that children in all year groups (from Pre-School to  
Year 6) to please bring in a non perishable food item to school  
on Friday 6th October which we will be displayed at our festival.

The donated gifts will be distributed to a local food bank.

#### Guidance for being absent from school

Please think carefully about keeping your child at home. If your child is unwell, often it could be a small anxiety that once they are at school is dealt with easily.

**If your child has a cold then please still send them in.**

We would never allow a genuinely ill child to stay in school if we felt they really needed bed rest or would be at risk to other children; so can assure you we'd ring you immediately.

If medication is required in school, eg. calpol, nurofen, antibiotics etc, as per our "Supporting Pupils with Medical Conditions" policy, this can only be administered to a child if we have a completed medication consent form clearly stating the dose and time for it to be administered. Forms can be downloaded from our website [www.ccschool.co.uk](http://www.ccschool.co.uk), Parents & Carers, Guidance for Illnesses and then click on the relevant button depending on whether the medication is prescribed or non prescribed. Forms are also available at Breakfast Club, Nursery & Pre-School. Please feel free to ask for a form if one is not offered.

**In the event that your child has a contagious illness or sickness & diarrhoea then they should stay away from school for the length of time as stated on our "Guidance for Illnesses" page which is found on our website under the Parents & Carers tab, Guidance For Illnesses.**
