World Mental Health Day is coming up on Tuesday 10th October. The aim of the day is to raise awareness of mental health and to drive positive change for everyone's well being. The theme for this year's day is 'Mental Health is a Universal Human Right'.

We will be hosting a range of activities throughout the day to promote discussion about mental health and explore

activities and resources that support self-regulation. Keep an eye out for updates over the next week about how you can support us and what to expect on the day.
