Year 5:	98.33%					
Year 6:	93.10%					

Weekly Attendance

Overall school attendance for this week:-

95.14% - Requires Improvement

Well done to Year 1 with the best attendance this week!

Reminder

School Based Anxiety Workshop

Thursday 12th October 2023

On Tuesday, we welcomed children in year three from our Kidderminster Primary School Alliance schools. Each school had three teams of three and we led some different

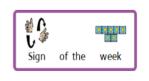

activities to introduce them to map reading and orienteering. Thankfully the weather held for us, and all the children had a great time following the maps to the points around our lovely school grounds and finding the correct information.

SEND Drop-in

Miss Edwards is running the SEND Drop-in on the following days:-

Tuesdays - 8.45am - 10am & Thursdays - 2.30pm - 4pm

Please feel free to drop-in to discuss any concerns you have about your child's educational needs.

Index finger of dominant hand points to head/towards brain

Dominant hand thumbs up position, thumb brushes down chest on dominant side (sign for health)

OUNCEMENDS

#HelloYellow

On Tuesday 10th October we will be celebrating World Mental Health Day across the school. The theme for this year's day is 'Mental Health is a Universal Human Right' and we will be supporting the Young Minds charity, fighting for young people's mental health, by inviting the children and staff to **wear something yellow and bring in a £1 donation**. (If you do not have something yellow please do not worry, wear something that makes you smile)

The Well-Being ministers have put their heads together and decided on a range of activities that promote self-regulation and positive mental health. These activities will be available throughout the day in the hall for each class to experience.

At the end of the day we would like to invite children and their parents/carers to come around

to the DT room on the main playground and join us for tea or squash and a cake. This will be a great opportunity for children to share their experiences throughout the day and continue the conversation about mental health. Please can we ask for a small **donation of a pack of cakes or biscuits** from the children to be brought in on Monday or Tuesday next week.

Did you know:

1 in 6 children aged 5-16 are likely to have a mental health need
5 children in a classroom of 30 are likely to have a mental health need
For every 5 children with special educational needs, 3 of those children will have a mental health need

For Autistic learners, 7 out of every 10 face a mental health need

The call for mental health understanding and support has never been louder.

School Ministers 2023-2024

Congratulations to everyone who has been appointed as a School Minister for this academic year. With support from Mrs Richmond, you will all do a great job within your area of the school.
