Celebrating success in girls' football! Our Year 5 and 6 stars shone brightly in a recent tournament, securing a fantastic second-place finish. The team's highlight was an impressive 7-0 victory against a rival school, showcasing exceptional teamwork and skill. Our budding footballers demonstrated dedication and passion, making us proud on and off the field. Congratulations to our talented players for their outstanding performance and sportsmanship. Stay tuned for more exciting sports updates!

### Thrilling Cross Country Event:

Our Year 5 and 6 stars showcased outstanding athleticism in a recent cross-country competition, conquering challenging terrain with determination. In a display of teamwork and resilience, our young runners secured a commendable second place overall. Cheers echoed as they crossed the finish line, embodying sportsmanship and school spirit. Parents, your children's dedication to fitness and healthy competition shines brightly. We're immensely proud of their achievement and look forward to more sporting successes. Thank you for your continuous support in fostering a love for physical activity in our students."

On Wednesday 15th November, 7 children from years 3 and 6 took part in a singing event at Comberton Primary School with other primary schools within the KPCA.

Throughout the day they learned 5 different songs: Nanuma, When I grow up (from Matilda the musical), A wimba way (the lion sleeps tonight), Amazing Grace and Hakuna Matata. Different structures were used in each performance, including rounds, echoing and groups. There was the opportunity to audition for a solo in Amazing Grace, several of our children were brave enough to put themselves forward and Susanna (Year 6) was the successful soloist. At the end of the event parents were invited to watch the children perform and it was a resounding success.

### A message from King Charles I School - A short summary of the Autumn term

As we reach the start of December, I wanted to send our warmest regards from all the King Charles staff and give you a summary of what we have been up to in the Autumn term. We were delighted with how many parents/carers attended our Open Evening in September. Our staff and students had a wonderful evening and I hope that you got a feel for the culture of our school.

We have been very busy in the Autumn term, students are working hard and our Year 11 students have reached a significant stage in their journey and are currently sitting their mock examinations; we have had dance and drama exams and the students have excelled themselves.

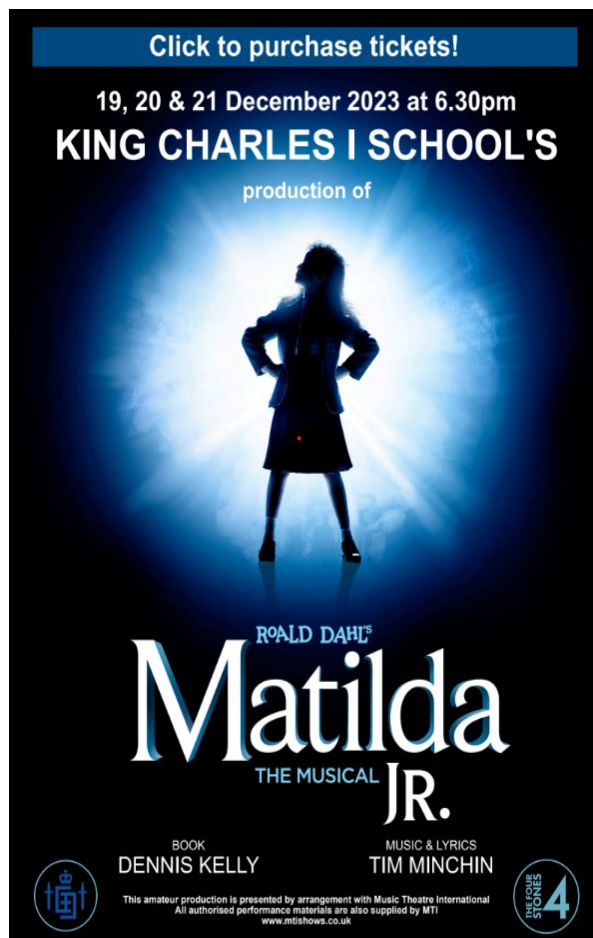

Extra-curricular opportunities have been high on the agenda and our club participation has been excellent. Trampolining, badminton, table tennis, netball and football have been particularly well attended. We have had Under 12 and Under 13 netball and football fixtures/tournaments and our Under 13 boys football team have reached the next round of the County Cup with a narrow 4-3 victory. Our students recently attended the District Cross Country and we had some outstanding results, we even had a first place. The House system is going strong and we have had several house competitions which has created some healthy competition!

Students in Year 11 have enjoyed a trip to Berlin and 90 of our Year 8 students have just set off for the Cologne Christmas markets. Among other trips, our students thoroughly enjoyed their Matilda trip to gain some final inspiration for our school production of Matilda. We would be delighted if you could attend and tickets are available via our website [www.kingcharlesschool.co.uk](http://www.kingcharlesschool.co.uk). The production runs from 19<sup>th</sup> to 21<sup>st</sup> December 2023 at 6.30pm. Our staff and students have been working exceptionally hard and would love to perform to a full house every night.

I hope that this gives you a little insight to the Autumn term at King Charles. We look forward to working with you in the future.

Kind Regards

James Wilkinson (Assistant headteacher/Head of Borrington Road)  
King Charles I School
