

Word list/mat

Children can access a word mat to support them in spelling accurately within all writing. The children should be able to use a word mat independently. I have gathered the words for the word mat from a couple of sources. Some are the common exception words from the national curriculum and other words are from the 300 high frequency words we access in school.

Please feel free to print a copy of these for home use. Encourage your child to select this as a resources to use to support them in written homework tasks.
