How to order hot lunches

- Log into your ParentPay account and click on the days that you'd like your child to have a hot lunch (this can be done a week in advance or for several weeks in advance).
- Complete your order by making your payment online.
- The amount paid will reduce as meals are taken. This can be topped up with further payments at any time.
- A dinner register is taken in class each morning. Please ensure there is always credit on your account for meals otherwise we won't be able to place your child's order.
- For pupils in Class Reception, Year 1 and Year 2, a dinner register is taken in class each morning. Children will just need to let their teacher know, when asked, if they require a school meal that day and then the information is transferred to the school office.
