

Year 4 KIRF questions

Summer 1 - I can recognise decimal equivalence for the fractions $\frac{1}{2}$, $\frac{1}{4}$, $\frac{3}{4}$, tenths and hundredths

<u>Date to start homework</u>	<u>KIRF Question/Activity</u>	<u>Date of completion</u>
Thursday 18th April	<u>Decimal equivalence of tenths</u> Focus of learning the decimal equivalence of tenths. You could make a matching card game; get someone to call them out to you or use the game at this site https://www.topmarks.co.uk/maths-games/daily10 - level 3, decimals, fraction equivalents	Tuesday 23rd April
Thursday 25th April	<u>Decimal equivalence of hundredths</u> Focus of learning the decimal equivalence of hundredths. You could make a matching card game; get someone to call them out to you or use the game at this site https://www.sheppardsoftware.com/math/decimals/match/models/	Tuesday 30 th April
Thursday 2 nd May	<u>Decimal equivalence for the fractions $\frac{1}{2}$, $\frac{1}{4}$ and $\frac{3}{4}$</u> Learn these facts $\frac{1}{2} = 0.5$, $\frac{1}{4} = 0.25$, $\frac{3}{4} = 0.75$	Tuesday 7th May
Thursday 9 th May	<u>Decimal equivalence for the fractions $\frac{1}{2}$, $\frac{1}{4}$, $\frac{3}{4}$, tenths and hundredths</u> Focus on having instant recall of the facts learnt over the last four weeks. This site might help. https://www.topmarks.co.uk/maths-games/daily10 - level 4 - fractions - decimal equivalents.	Tuesday 14th May
Thursday 16th May	<u>Decimal equivalence for the fractions $\frac{1}{2}$, $\frac{1}{4}$, $\frac{3}{4}$, tenths and hundredths</u> Focus on having instant recall of the facts learnt over the last four weeks	Tuesday 21st May

Remember to review your fraction and decimal facts regularly to reinforce your skills. Have fun with your homework! If you want to share the work you have completed, either bring it to school or send your class teacher a picture of your work on the private message function on Class Dojo.
