

Chaddesley Core Values and British Values

We are tolerant of all faiths and cultures

by: belonging to different faiths and cultures, having different families and learning all about Christianity, Islam, Hinduism and Judaism and celebrating their special days. *Individuality, Service, Integrity*

We follow the school rules: our school rules help us learn well and ensure others can learn. We help our friends behave nicely. Our parents help the school with good behaviour. *Ambition, Pride of Place, Integrity, Service*

We promote individual liberty: we can develop our own talents, express our own opinion and our likes and dislikes, choose what we do at lunchtime, make choices in lessons. *Individuality, Integrity, Ambition*

We respect everyone in our school by: having good manners all the time, being kind, caring and putting others first, treating others how we would like to be treated, asking for opinions, being good listeners. *Individuality, service, Pride of Place, Integrity*

We are a democratic school: we vote for our head boy and head girl, we elect our school council, and Rotakids officers. Children help to make important decisions and parents help to govern our school. We make choices in lessons about our learning. *Ambition, Individuality, Service*
