**Evaluation:** We are delighted that *all* parents who responded said they would recommend us! We are generally very pleased with the survey results. Our Anti Bullying ambassadors are obviously doing a great job because lots of parents had no experience of bullying. As one said last week, 'It's not so much about stopping bullies but more about leading by example.'

As a school, we give progress reports every term: Autumn parents' evening, Spring parents' evening and at the end of the summer term. If we have concerns about your child's progress, we will always inform you and ask for your support or offer support. Please remember that you are welcome to ask the class teacher at any time and they can share progress information. Thank you for taking time to respond.
