CHADDESLEY CORBETT ENDOWED PRIMARY & PRE-SCHOOL

10th June 2020

Dear Parents and Carers of children in Nursery, Reception, Year 1 and Year 6

We have had an excellent return to school with routines and safety procedures working well. We feel confident that the children who have returned are happy that they have made the right choice.

Yesterday the Government announced that other year groups will not be expected to return for the last month of school-based on practical and logistical considerations. Schools are encouraged however to allow more pupils back in a way they can do safely. Schools are to decide for themselves how to do this.

With this in mind, our one week's notice to take up a space will no longer be available. We would like to know now **either way** if you are planning for your child to return this academic year. Please be aware that due to the nature of keeping the integrity of each bubble, wraparound care is unlikely to be possible.

Once we have this information, we can examine ways that we can practically staff and resource more bubbles or indeed if this is possible. We feel it would be fairer to offer spaces to others rather than keep a space for a child that won't be using it. I hope you can see the logic and fairness in this thinking.

Please would you kindly call or email the office by the end of this week with your response. That way we can spend next week looking at numbers and hopefully extending provision for some children by Monday 22nd June.

Yours sincerely

E James
