Risk Assessment for Schools – Addendum

Please be aware that this document has been designed to support assessment and decision making for schools when considering plans for full opening from September 2020. Reference to the latest DfE government guidance should be made when considering the prompts.

Background

A full School Risk Assessment tool was developed by Worcestershire County Council and Worcestershire Children’s First to support schools with a phased opening recovery approach. The tool, and example risk assessment and other supporting documents are available at: <http://www.worcestershire.gov.uk/recoveryschools> and http://www.worcestershire.gov.uk/downloads/download/1433/phased_re-opening_of_schools_and_settings_documents

For each consideration if your setting will have all measures in place in time for full opening RAG rate as green. If not RAG as amber or red and include comments below

Opening Plans

Q1. What date will you begin to welcome back pupils into school for the Autumn Term? If this will be later than Tuesday 1st September, please outline the reasons below (i.e. TED day etc.)

Tuesday 1st September

Q2. Will pupils have different return dates dependent on year groups? If yes, please outline plans for each year group.

No

Q3. Please describe your plans for managing the school day to support full pupil attendance i.e. staggered start/end times, separate entrances etc.

We ask that whenever possible parents drop their child off in our drop off zone and allow them to walk into school supervised at the crossing by Mr Johnson and into the school by Miss Edwards or Mrs James. Ideally, only one parent will bring/collect a child to/from school and we will work on a one-way system accessing the school through the main gate and walking to the child's classroom. School times will be as normal 08:45-15:20 however children may arrive from 8:30 and go straight into the classroom via the external door. At hometime, older children with permission, can walk to the carpark. Younger children will be collected by a parent or carer. They will be asked to wait at a socially acceptable distance until their child can access/be released from the classroom safely. We ask that parents do not stop and chat with the teacher or each other apart from a 'hello'. They will walk using the one way system.

Q4. Guidance assumes that all pupils will be back to full-time education from September, if this will not be the case for your school, please describe the reasons below.

N/A

Theme 1: Protective measures and hygiene

Consider:	Suggestions /consideration	Issues & actions to manage risk	R	A	G
<p>Have you put in place opportunities for pupils and staff to clean their hands more often?</p>	<p>Schools must ensure that pupils clean their hands regularly, including when they arrive at school, when they return from breaks, when they change rooms and before and after eating.</p> <p>Following a risk assessment, some schools may determine that small adaptations to their site are required, such as additional hand wash basins or sanitizing stations to ensure hand washing can be managed.</p> <p>Ensure that supervision of hand sanitiser use given risks around ingestion. Small children and pupils with complex needs should continue to be helped to clean their hands properly. Skin friendly skin cleaning wipes can be used as an alternative</p> <p>Ensure that protective measures are built into school culture, supported by behaviour expectations and helping ensure younger children and those with complex needs understand the need to follow them</p>	<p>We will explicitly teach and supervise health and hygiene arrangements such as handwashing, tissue disposal and toilet flushing.</p> <p>We will therefore ensure we practice (and instil in the children):</p> <ul style="list-style-type: none"> • Cleaning our hands more often than usual – either with running water and soap and drying them thoroughly or using sanitiser. • Using the ‘catch it, bin it, kill it’ approach. • Avoid touching our mouth, nose and eyes. <p>As a school we will:</p> <ul style="list-style-type: none"> • Ensure we remind everyone to clean hands on arrival at the setting, before and after eating, and after sneezing or coughing. • Think about ways to modify our teaching approach to keep a distance from children in our class as much as possible, particularly close face to face support (noting that it’s understood that this is not possible at all times, which is why hygiene and hand cleaning is so important). • Help our classes to follow the rules on hand cleaning, not touching their faces, ‘catch it, bin it, kill it’ etc. • Prevent children from sharing equipment and resources (like stationery), where possible. • Keep our classroom door and windows open if possible for ventilation and to limit use of door handles. • Limit the number of children from our classes using the toilet at any one time. • Limit our contact with other staff members. 			

For each consideration if your setting will have all measures in place in time for full opening RAG rate as green. If not RAG as amber or red and include comments below

		<ul style="list-style-type: none"> Put in place a cleaning schedule that ensures cleaning is generally enhanced and includes: more frequent cleaning of rooms / shared areas that are used by different groups; frequently touched surfaces being cleaned more often than normal; and cleaning toilets more regularly. 			
Ensure that staff and pupils have their own items that are not shared. Classroom based resources, such as books and games, can be used and shared within the bubble.	Classroom based resources, such as books and games, should be cleaned regularly, along with all frequently touched surfaces. Resources that are shared between classes or bubbles, such as sports, art and science equipment should be cleaned frequently and meticulously and always between bubbles, or rotated to allow them to be left unused and out of reach for a period of 48 hours (72 hours for plastics) between use by different bubbles.	<ul style="list-style-type: none"> For individual and very frequently used equipment, such as pencils and pens, pupils will have their own items that are not shared. You may wish to send them in with their own pencil case with their own personal items. Classroom based resources, such as books and games, shared within the bubble will be cleaned regularly, along with all frequently touched surfaces. Resources that are shared between bubbles, such as sports, art and science equipment will be minimised, or if sharing is unavoidable, cleaned between use by each bubble. 			
Limit the amount of equipment brought into school each day, to essentials such as lunch boxes, hats, coats, books, stationery and mobile phones. Bags are allowed.	Pupils and teachers can take books and other shared resources home, although unnecessary sharing should be avoided, especially where this does not contribute to pupil education and development. Similar rules on hand cleaning, cleaning of the resources and rotation should apply to these resources.	We are limiting the equipment that the children need to bring to school so they will only require a packed lunch (if provided by home), a water bottle (we are not able to provide these in school) and their book bag. We will not allow rucksacks as space in cloakrooms will be restricted to avoid crowding/ toilet cross contamination. The children must not bring any toys from home and if sun cream is required this must be applied at home.			
Ensure the School has a process in place for removing face coverings when pupils (over the age of 11) and staff who use public transport arrive at school. And the process is communicated clearly to them.	Pupils must be instructed not to touch the front of their face covering during use or when removing them. They must wash their hands immediately on arrival (as is the case for all pupils), dispose of temporary face coverings in a covered bin or place reusable face coverings in a plastic bag they can take home with them, and then wash their hands again before heading to their classroom.	If a child arrives at school wearing a face covering, we will follow the DfE guidance which advises that pupils remove these when they arrive at school. (They are not required in schools as pupils and staff are mixing in consistent groups, and because misuse may inadvertently increase the risk of transmission). They will be instructed to wash their hands immediately on arrival (as is the case for all			

For each consideration if your setting will have all measures in place in time for full opening RAG rate as green. If not RAG as amber or red and include comments below

		<p>pupils), not to touch the front of their face covering when removing them, dispose of temporary face coverings in a covered bin or place in a plastic bag they can take home with them, and then wash their hands again before heading into their classroom.</p>			
<p>Ensure that consistent groups are maintained and the Guidance for full opening: schools is adhered to</p>	<p>Section 5: https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools</p>	<p>At Chaddesley Corbett Endowed Primary we will operate as year group ‘bubbles’ with allocated classrooms, designated toilets and break and lunchtimes in nominated areas.</p>			
<p>Ensure groups are kept apart from other groups where possible and older children should be encouraged to keep their distance within groups.</p>	<p>Section 5: https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools</p>	<p>Our ‘bubbles’ will follow these principles:</p> <ul style="list-style-type: none"> • grouping children together and avoiding contact between bubbles. • avoiding large gatherings such as assemblies or workshops. • allocating toilet facilities to each bubble. • (where possible) making small adaptations to our classrooms to support distancing. This may include seating pupils side by side and facing forwards, rather than face to face or side on. • For individual and very frequently used equipment, such as pencils and pens, pupils will have their own items that are not shared. You may wish to send them in with their own pencil case with their own personal items. • Classroom based resources, such as books and games, shared within the bubble will be cleaned regularly, along with all frequently touched surfaces. • Resources that are shared between bubbles, such as sports, art and science equipment will be minimised, or if sharing is unavoidable, cleaned between use by each bubble. • staff maintaining distance from pupils and other staff as much as possible - avoiding close face to face contact and minimise time spent within 1 metre of anyone. 			

For each consideration if your setting will have all measures in place in time for full opening RAG rate as green. If not RAG as amber or red and include comments below

		<ul style="list-style-type: none"> we recognise that primary children will not be able to maintain social distancing, and it is acceptable for them not to distance within their group. 			
Ensure that when staff need to move between classes and year groups, they keep their distance from pupils and other staff as much as they can, ideally 2 metres from other adults	Section 5: https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools	Very few teachers will move around groups. Teaching staff will be kept consistent and stick to a key stage at the very most. Teachers that do move around will social distance from other staff. Additional staff room facilities will be set up in the conference room.			
Within the classroom ensure there is distance between people whilst inside and reducing the amount of time people are in face to face to contact lowers the risk of transmission.	Section 5: https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools	Where possible we will be making small adaptations to our classrooms to support distancing. This may include seating pupils side by side and facing forwards, rather than face to face or side on.			
Ensure staff in secondary schools maintain distance from their pupils, staying at the front of the class, and away from their colleagues where possible.	Ideally, adults should maintain 2 metre distance from each other, and from children. If not possible avoid close face to face contact and minimise time spent within 1 metre of anyone. <i>(it will not be possible when working with many pupils who have complex needs or who need close contact care. These pupils' educational and care support should be provided as normal.)</i>	N/A			
Ensure that for children who are old enough, they are supported to maintain distance and not touch staff and their peers where possible. <i>(This may not be possible for the youngest children and some children with complex needs and it is not feasible in some schools where space does not allow. Schools doing this where they can, and even doing this some of the time, will help).</i>	Section 5: https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools	Children taught about social distancing Sit side by side Work outside where possible			

For each consideration if your setting will have all measures in place in time for full opening RAG rate as green. If not RAG as amber or red and include comments below

<p>Ensure that when staff or children cannot maintain distancing, particularly with younger children in primary schools, the risk can also be reduced by keeping pupils in the smaller, class-sized groups.</p>	<p>Section 5: https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools</p>	<p>At Chaddesley Corbett Endowed Primary we will operate as year group 'bubbles' with allocated classrooms, designated toilets and break and lunchtimes in nominated areas.</p>			
<p>Ensure that adaptations to the classroom to support distancing where possible. That should include seating pupils side by side and facing forwards, rather than face to face or side on, and might include moving unnecessary furniture out of classrooms to make more space.</p>	<p>Section 5: https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools</p>	<p>Where possible we will be making small adaptations to our classrooms to support distancing. This may include seating pupils side by side and facing forwards, rather than face to face or side on.</p>			
<p>Ensure schools avoid large gatherings such as assemblies or collective worship with more than one group.</p>		<p>There will be no assemblies No lunches in hall.</p>			
<p>When timetabling, ensure groups kept apart and movement around the school site kept to a minimum. Schools should avoid creating busy corridors, entrances and exits. Schools should also consider staggered break times and lunch times (and time for cleaning surfaces in the dining hall between groups).</p>	<p>Section 5: https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools</p>	<p>Use of corridors not necessary. Separate exits and entrance for each bubble. Intervention area limited to key stage and cleaned afterwards.</p>			
<p>Ensure that a plan of how shared staff spaces are set up and used to help staff to distance from each other. Use of staff rooms should be minimised, although staff must still have a break of a reasonable length during the day.</p>		<p>Additional facilities in conference room. One consistent learning assistant per bubble during lunch.</p>			
<p>Ensure that plans have been communicated to parents and remind them about the process that has been agreed for drop off and collection,</p>		<p>Letter to parents.</p>			

For each consideration if your setting will have all measures in place in time for full opening RAG rate as green. If not RAG as amber or red and include comments below

<p>including that gathering at the school gates and otherwise coming onto the site without an appointment is not allowed.</p>					
<p>Ensure that the management of other visitors to the site, such as contractors, has been considered and ensure site guidance on physical distancing and hygiene is explained to visitors on or before arrival. Where visits can happen outside of school hours, they should. A record should be kept of all visitors.</p> <p>Ensure that where a child routinely attends more than one setting on a part time basis, for example because they are dual registered at a mainstream school and an alternative provision setting or special school, schools work through the system of controls collaboratively, enabling them to address any risks identified and allowing them to jointly deliver a broad and balanced curriculum for the child.</p>	<p>Site guidance on physical distancing and hygiene is explained to visitors on or before arrival. Where visits can happen outside of school hours, they should. A record should be kept of all visitors.</p>	<p>All in place</p>			
<p>Ensure the Schools understands the NHS Test and Trace process and how to contact their local Public Health Team and Public Health England Health Protection Team.</p>	<p>https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools</p> <p>Ensure that all members of staff are aware, read and understood the Guidance for full opening: schools and Guidance for full opening: special schools and other specialist settings and Local Covid 19 Management of cases in education setting.</p> <p>Notify the LORT (Mon – Sun 9am – 6pm) of any symptomatic people in a school wcchealthprotection@worcestershire.gov.uk or by phone 01905 845491</p>	<p>All in place</p>
